DECO BOARD S RB-001

DESCRIPTION

Handmade of reclaimed barnwood and wood planks from fishing boats. Original paint found on fishing boats provide random flecks of vivid color, creating a completely unique design. Adhered to a CARB approved tropical hardwood plywood backing (made of Meranti wood).

HIGHLIGHTS

- Each panel is made by hand to exacting standards to ensure quality and an artisanal aesthetic.
- These boards may help qualify your project for LEED points MR 4.1 & 4.2 (recycled content) and EQ 4.4 (low VOC emission).
- All panels have chain-of-custody SGS timber legality verification.
- Eco-consciously manufactured.

PRODUCT DETAILS

- Material: Engineered Reclaimed Wood
- Product Type: Panels
- Panels per Carton: 5
- Sq Feet per Carton: 19.4
- Natural Wood Grain Color Variation (No item has the same grain color, finish, or wood knots due to natural factors.)
- Deco Board S RB-001 is available only unfinished in its natural form. Any kind of water or oilbased finish can be applied after installation. Clear finish will darken the wood and give it a more weathered appearance.
