## SPECIFICATION SHEET

### TEAK SKIN MB-003

### DESCRIPTION

Handmade from 100% teak pieces and adhered to a CARB approved tropical hardwood plywood backing (made of Meranti wood). This product features a more rugged aesthetic, with very dynamic color and grain patterns.

### HIGHLIGHTS

- Each panel is made by hand to exacting standards to ensure quality and an artisanal aesthetic.
- These boards may help qualify your project for LEED points MR 4.1 & 4.2 (recycled content) and EQ 4.4 (low VOC emission).
- All panels have chain-of-custody FSC certification and SGS timber legality verification.
- Eco-consciously manufactured.

### PRODUCT DETAILS

- Material: Engineered Reclaimed Wood
- Product Type: Panels
- Panels per Carton: 4
- Sq Feet per Carton: 15.5
- Natural Wood Grain Color Variation (No item has the same grain color, finish, or wood knots due to natural factors.)
- Teak Skin MB-003 is available only unfinished in its natural form. Any kind of water or oil-based finish can be applied after installation. Clear finish will darken the wood and give it a more weathered appearance.
