TINY BLOCK MB-009

DESCRIPTION

Handmade of 100% teak. 5cm x 5cm beautiful teak blocks with 4 different thicknesses: 5mm, 10mm, 15mm and 20mm arranged at random. Adhered to a CARB approved tropical hardwood plywood backing (made of Meranti wood). The 3D design effect can enhance audio quality making it a great addition for AV rooms, pubs and club interiors, as well as other spaces.

HIGHLIGHTS

- Each 3D panel is made by hand to exacting standards to ensure quality and an artisanal aesthetic.
- These boards may help qualify your project for LEED points MR 4.1 & 4.2 (recycled content) and EQ 4.4 (low VOC emission).
- All panels have chain-of-custody FSC certification and SGS timber legality verification.
- Eco-consciously manufactured.

PRODUCT DETAILS

- Material: Engineered Wood
- Product Type: Panels
- Panels per Carton: 4
- Sq Feet per Carton: 15.5
- Natural Wood Grain Color Variation (No item has the same grain color, finish, or wood knots due to natural factors.)
