OUTSIDER

since 2015

サルトル、カミュ、ヘミングウェイ、ゴッホ、ニーチェ etc.etc.

古今東西の作家や哲学者 芸術家を〈社会の外にいる者＝アウトサイダー〉とし

アウトサイダーはいかに生きるべきかを追求した

1956年 コリン・ウィルソンが26歳で書き上げた”THE OUTSIDER”をテーマとして創る作品群。

現代社会に違和感を抱え溶け込めず不安にかられているアウトサイダー達の

心の底の勇気や希望を

スタッズを打ち込み、鈍く輝く石で彩った

鉄のように黒く燻された作品で表現しています。

アウトサイダーは現代社会に違和感を抱えヨソヨソしい非現実感を拭えず

どうしても上手く溶け込む事が出来ない。

才能も思想も伝えるべき感情も無い。

しかし、それでも世俗的な成功や幸福ではなく

もっと高い次元の真理を 心の自由を 生きる意味を求めてやまない人間であるとコリンは言っている。

2015年

資本主義経済は停滞し、個人主義の蔓延で他人はもとより家族との関係すら希薄になった現代
宗教や思想はねじ曲げられ 過激化し、暴力や破壊により自分の存在を誇示するにまで至っている。

人は皆 心に寄るべき支柱を見失っている。

さらには

情報化社会に伴い価値観が多様化し選択の自由は増したものの

そのせいで皆が共有出来る幸せのモデルを失い

自分の生き方は正しいのか？

実は間違っているのではないかと

いつも不安にかられている。

21世紀の世の中では

何がインサイドで何がアウトサイドなのか

その線引きすら難しい。

人類の起源はアフリカ大陸から始まったと言われる。

その昔勇気あるたった200人だけが(私は彼らこそアウトサイダーと呼びたい)

アフリカを飛び出し地球を旅したおかげで

今の私たち世界中の人々がいる。

自分はアウトサイダーであると自覚し

変化を恐れず行動する事により

次の道が見えてくる。

OUTSIDER

since 2015

Sartre, Camus, Hemingway, Van Gogh, Nietzsche, etc.etc.

The writers, philosophers, and artists from all over the world,
ancient and modern, are regarded as "outsiders".

How should the outsider live?

In 1956, at the age of 26, Colin Wilson wrote "THE OUTSIDER",
which is the theme of his works.

The works are about the courage and hope of outsiders who feel uncomfortable
in the modern society and are anxious about not being able to fit in.

The courage and hope in the bottom of their hearts.

Studded with studs and colored with dull, shining stones

These works are black and smoked like iron.

The outsider has a sense of discomfort with modern society,
and cannot shake the feeling of unreality.

They are unable to blend in well.

They have no talent, no ideas, no feelings to convey.

But even so, I'm not looking for worldly success or happiness.

But even so, Colin says, I am a person who seeks
not worldly success or happiness,

but a higher level of truth, freedom of mind, and meaning in life.

In 2015

The capitalist economy has stagnated, individualism has spread,
and relationships with others and even family have become tenuous...

Religions and ideologies have been twisted and radicalized to the point
where they glorify their existence through violence and destruction.

People have lost sight of the pillar of support that they need to lean on.

What's more

In the information society, values have diversified and
freedom of choice has increased.

But because of this, we have lost the model of happiness that we can all share.

Is my way of life right?

Is my way of life right or is it actually wrong? I am always worried.

Is my way of life right?

In the 21st century

What is inside and what is outside?

It's hard to even draw the line.

It is said that the origin of mankind began on the African continent.

In the past, only 200 brave people (I would like to call them outsiders)

I would like to call them "outsiders") left Africa and traveled around the world.

Thanks to them, we, the people of the world, are here today.

By being aware that you are an outsider

And by acting without fear of change

I can't help but think that by being aware that we are outsiders,

and acting without fear of change, we will be able to see the next path.

OUTSIDER

16AO-465 X Studs Army Bracelet

Silver Plated Brass & Swarovski
Size : M

16AO-466 Flower Studs ID Plate Bracelet

Silver Plated Brass & Swarovski
Size : M

16AO-467 X Studs ID Plate Bracelet
