既存のシステムが崩壊し、混沌を拓ける世界。。

習熟よりひらめきをなによりも大切に

時間の経過とともに刻まれる

小さな傷や凹みまでも慈しみ愛する事が出来るような

シンプルでソリッドな作品達を

初心に還り創りました。

A world where the existing system
has collapsed and chaos is spreading...

With inspiration more important than mastery,

I have created simple and solid works that can be loved and cared for,
even the small scratches and dents that are carved with the passage of time,
returning to my original intention.
