Magic Word

and Japan K.K.

The Donald と Little Rocket Man の激しい言葉の応酬は、

この惑星を破壊してしまうかもしれない。

言葉は彼らの発するそれのように破壊的にもなるが、

神秘的な奇跡を生み出す力も持っている。

Magic Word/ 魔法の言葉

スターリングシルバーに魔法の言葉を一文字一文字打ち込んだジュエリーたちは
時代が変遷しても風化する事の無いシンプルでベーシックなスタイルでありながら

手しごとによる丁寧な造りと仕上げにより

温もりとユーモアそしてクールさを併せ持っています。

私たちの創る この懐かしいジュエリーを身に着ける人に

ポジティブなパワーを与えられる事を祈り制作します。

amp japan k.k. 2017.Sep.

The Donald and Little Rocket Man's fierce exchange
of words could destroy the planet.

Words can be as destructive as the ones they utter,
but they also have the power to create mystical miracles.

Magic Word

Each piece of jewelry is made of sterling silver with a magic word typed into it,
letter by letter. It is a simple and basic style that will
never fade away even if the times change.

The jewelry is carefully crafted and finished by hand.

It has warmth, humor, and coolness at the same time.

We hope you enjoy our modest jewelry.

We hope that our modest jewelry will give positive power
to those who wear it.
