ヨーロッパの古い建造物に見られる鍛鉄(タンテツ)/ロートアイアンや
工業意匠/インダストリアルデザインからインスパイアされ創りあげました。

削り出し、打ち目を付けたり ざらついた表面に加工された
マットホワイトとマットブラックのシルバーはとても新鮮で
無骨さやヴィンテージ感もありながら繊細でクリーン。

シンプルで華奢でありながら存在感ある身につけやすい作品群に仕上げました。

Inspired by the wrought iron
and industrial design found in old European buildings.

The matte white and matte black silvers that have been machined, hammered
and processed into rough surfaces are very fresh,
rugged, vintage-looking, delicate and clean.

Simple and delicate yet with presence, these pieces are easy to wear.
