TRAVELING THROUGH THE WORD WITH JESUS

VBS Director's Guide

Drive 66

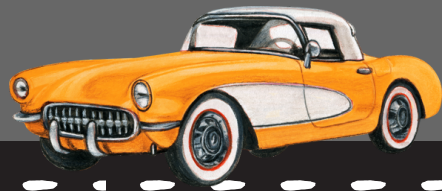

Welcome to Drive 66!

We're so excited to have you along for the road trip of a lifetime as we explore one of the most exciting "trips" recorded in the Bible; Jesus traveling on the road to Emmaus with two men the day of His resurrection. After considering that story and thinking of what it would have been like to have walked with Jesus that day, we'll spend the rest of the week considering some of the stories Jesus may have told that day as He explained that the whole Bible is about Him.

Our goal for children is that Drive 66 will teach them that the whole Bible, all 66 books, is one big story all about Jesus, and will help them learn how to share this great big truth with others. We'll do this through Bible lessons, memory verses, crafts, games, themed snacks, and videos of people journeying with Jesus around the world.

Our goal for you as leaders is that these resources will give you all the tools you need for a memorable week. Everything is provided: scheduling options, graphics, opening rally outlines, Bible lesson scripts, multiple craft ideas, multiple snack ideas, easily adaptable games, missions videos, music videos, decorating ideas and more. You can make your VBS as simple or as elaborate as you want; whatever works for your church and your kids.

Every church and setting is different, and just because you don't have a huge building, 100s of kids, or a great budget, doesn't mean you can't have an awesome VBS! Here is a sample schedule for a single class VBS. If you have a few kids, a dedicated teacher and little bit of space, you too can have a great week in the Word. Some of the games and activities will likely need to be slightly modified, but for the most part this curriculum will work great for you!

DAY 1

**The whole
Bible is
about
JESUS!**

A stylized illustration of a desert landscape. In the foreground, a brown station wagon is driving on a road with yellow lane markings. To the right, a signpost holds a blue shield-shaped sign with the number '66' and a smaller rectangular sign below it that says 'SOUTH'. The background features rolling green hills, a blue sky with white clouds, and several green saguaro cacti. The overall style is flat and colorful.

**Then Jesus told
his disciples, "If
anyone would
come after me,
let him deny
himself and
take up his
cross and
follow me."**

Matthew 16:24
