

# WORD FOCUSED MINISTRY EVALUATION

Do I teach with an open Bible?	
Do all my students have access to a Bible?	
Do children use Bibles in my class?	
Do I give opportunities to look up and read supplemental texts?	
Are children regularly asked to dig into a text to find it's meaning for themselves?	
Do I ask questions based on the text?	
Do I give non-readers opportunities to look up verses (with help) and allow them to handle the Word of God?
