

Boarding

CHECKLIST

The type of health information that kennels require will differ. The following medical items are a starting point for your pet's boarding.

- Vaccination certificate with up to date shots
- Up to date flea and tick treatments
- Details of any food allergies and your pet may have
- Any current medication your pet is on along with instructions and extra in case of travel delays

Write up a little fact file for your pet's stay.

- Your contact details
 - Emergency contact details
 - Veterinarian contact details
 - Travel times
 - Pet's diet and feeding routine, including any allergies
 - Pet's sleeping and exercise routine
 - Pet's recall commands and other useful words
 - Pet's likes and dislikes
 - Whether you are comfortable letting your pet have free play with others
 - Any behavioral quirks and characteristics
-
- It is important to pack your pet's normal food to avoid an upset stomach due to food change.
