Polyethylene Baby Changing Table with Liner Dispenser

Element takes the uncertainty out of ADA compliance with an intuitive install template that makes setup simple. Along with its clean, classic design, it includes a convenient liner dispenser and choice of black or gray color finishes to blend seamlessly into any space.

Product Dimensions:

Surface Open: 33.78" L x 21.13" W x 13.25" H
Surface Closed: 33.78" L x 4" W x 21.12" H

Shipping Dimensions:

34.81" L x 21.81" W x 3.94" H

Product Weight:

11 lbs.

Shipping Weight:

17 lbs.

Weight Capacity:

150 lbs.

Features:

Horizontal, wall-mounted baby changing station made of high-density polyethylene is durable for public restrooms and commercial environments

Large, concave diaper changing surface includes a polyurethane safety strap that rejects absorption of bacteria and is easy to clean and sanitize

Comes with a built-in liner dispenser to keep liners easily accessible for caregivers

Lightly textured surface hides scuffs and marks

Revolutionary installation template ensures baby changing station height is ADA compliant and allows for easy one person installation

Dual hooks keep diaper bags and purses nearby and off the floor

ADA compliant when properly installed and meets ASTM and ANSI standards

Choice of black and gray color finish to match any space
