## **Mainland Great Britain Customers**

All orders over the value of £500 are sent carriage free\* via a 3 day delivery service via Palletways. An optional next working day delivery service is available at a charge of £10. The minimum order or back order value which we are able to despatch is £200\*\*. Orders with a value between £200 and £499.99 will be charged a £20 delivery fee and your order will be shipped out using Palletways 3 working day service. An optional next working day delivery is available at an additional cost of £10. All orders are dispatched via Palletways as a trackable service. We aim to despatch all orders within 1 - 3 working days, alternatively you can request a specific day at checkout.

## **Offshore & Scottish Highland & Island Customers**

Unfortunately most carriers add a surcharge for shipping to these destinations and therefore when we take your order we will not initially charge shipping or take payment for the order. We will however get the best quote we can and will contact you to confirm that value. Once shipping is agreed then we will take payment.
