Front-end Web Developer

This is a fantastic opportunity to join a startup technology company within the wine & spirits industry with big ambitions. sipp is a wine subscription company with a strong focus on technology. We're looking for a front-end web developer to join our small and friendly team at sipp. Under the guidance of our Lead Developer and Head of Product you will be responsible for developing the front-end for our website, the first stop and integral storefront for all new and existing users. Our website allows customers to purchase subscriptions, one-off products, gifts, and also manage their account.

Essential

- Degree in Computer Science or equivalent experience
- Minimum 1 year development experience in a commercial environment
- Excellent HTML, CSS/SCSS & Javascript skills
- Awareness of best web performance practices, developing for accessibility and SEO
- Experience working with APIs
- Experience with cross browser and device testing websites
- Experience with version control Git/Bitbucket
- Experience working within agile environments
- Excellent written and verbal communication skills
- Responsible, self motivated & able to take ownership of a project
- Attention to detail & an eye for design
- Produce clean & maintainable code
- You are humble & play nice with others

Nice To Have

- Experience with the Shopify Platform & theme development using Liquid
- Experience working in e-commerce and subscriptions
- Experience with Ruby on Rails (used for our internal Shopify app)
- Experience with React/React Native (used for our mobile apps)
- Experience with design tools like Sketch
- An interest in design
- An interest in wine
- Knows their way around a pool table

What's in it for you?
- Competitive salary based on experience
- Performance incentive scheme
- Substantial discount on wine
- Regular wine tastings
- A short walk to Canary Wharf and its amenities

Who will I report to?
Lead Developer

Where will I be working?
Blackwall, London - with the potential to work remotely or from satellite office

How do I apply?
Please send your CV along with the details of projects you have worked on to
alex@sippwine.com

WE DO NOT REQUIRE ASSISTANCE FROM RECRUITERS AT THIS TIME
