This recall has been initiated because the product is labeled “gluten free” but may contain gluten due to potential cross-contact of an ingredient supplied to our manufacturer. Use of this product by individuals sensitive to gluten may cause temporary or medically reversible health effects such as gastrointestinal discomfort, diarrhea, upset stomach or vomiting.

We began shipping this product on August 23rd, 2018.

Immediately examine your inventory and quarantine product subject to recall. In addition, if you may have further distributed this product to any other wholesale customer, please identify your wholesale customers and notify them at once of this product recall. Your notification to your wholesale customers may be enhanced by including a copy of this recall notification letter.

Please quarantine and count any of the products identified above. The product subject to recall will be returned to our warehouse for destruction. Additional information regarding how to return these products will be provided in a follow-up communication.

This recall should be carried out to the wholesale and retail level. Your assistance is appreciated and necessary to prevent potential consumer illness.

Please complete and return the enclosed recall return response form as soon as possible. If you have any questions related to this recall, call Seth Crass at 415-729-9956. If you have any commercial questions, call Erik Eaton, Director of Sales, at 540-272-4002.

Please complete and return the enclosed response form as soon as possible.

This recall is being made with the knowledge of the Food and Drug Administration.
