

Innovative Automated Packaging Solutions for Coffee & Tea Products

“Please give your senior leadership and your production team a huge thank you from all of us. We are proud to be an ActionPac shop for over 20 years.”

JASON BURROW – CEO, LUNA GOURMET COFFEE

ActionPac is the ultimate solution for all your packaging automation needs. As one of the few global mechatronics operators and a true US manufacturer, we have the expertise and in-house capabilities to engineer innovative solutions that set us apart from the competition.

ME109™ Weigh & Fill Packaging

- Highest accuracy & speed for coffee weighing & filling
- Cutting-edge weighing system for unmatched quality
- Easy-to-use interface for optimal user experience
- Designed to handle large volumes of coffee efficiently
- Unrivaled reliability & durability
- Built to last for maximum longevity

Multi109™ High Volume Packaging

- 40-60 fills per min
- Conical hopper with product detection system (load cell)
- Adjustable vibrating upper distribution cone
- Radial feeders with precision speed adjustment
- Quick disconnect holding buckets & weight buckets
- System includes auto zero, auto clean & auto empty feature to make start up, changeover, and end of day procedures a breeze.

ActionVac™ Vacuum Loader

- Eliminate manual transfer of bulk coffee with ease
- American made stainless steel construction for durability
- Designed to handle ground coffee, brittle dark roast beans, & green beans
- Improves workplace efficiency & productivity
- Reduces risk of workplace injuries
- Automatic loader saves time & streamlines coffee processing

Seal-E-7™ Bag Sealer

- Perfectly seals any style of coffee bag every time
- Can handle the toughest packaging materials
- Equipped with advanced technologies for precise sealing, including a powerful motor and adjustable speeds and temps
- Extremely reliable and ergonomic for maximum efficiency and comfort
- 100% made in the USA for top-notch quality
- Can handle large volumes of coffee bags with ease

AP360™, AP310™, AP210™ Linear Poucher

- Cutting-edge technology for effortless bag opening, filling, printing, and sealing
- Saves time and effort for maximum efficiency
- Consistently fills bags to the right level every time
- Eliminates manual labor and delivers consistent results
- Say goodbye to inconsistent bag filling
- Uses latest technology for unmatched performance and reliability
