HP Portable Desktop Scanner

PS200

User Manual

Thank you for purchasing the HP Portable Desktop Scanner. This User Guide is intended to provide you with guidelines to ensure that operation of this product is safe and does not pose risk to the user. Any use that does not conform to the guidelines described in this User Guide may void the limited warranty.

Please read all directions before using the product and retain this guide for reference. This product is intended for household use only. It is not intended for commercial use.

This product is covered by a limited two-year warranty. Coverage is subject to limits and exclusions. See warranty for details.

Safety precautions

WARNING! Please read all safety precautions and instructions carefully before using this product. Failure to properly follow the guidelines established here could result in serious injury or damage to the product. Keep this manual for reference.

- Please turn off and unplug the scanner when it is not in use for long periods of time.
- Do not use the scanner if any parts are missing or damaged.
- Do not attempt to disassemble or repair the scanner yourself.
- Do not use any solvents or corrosive liquid to clean any part of the scanner.
- Keep the scanner out of direct sunlight and humid, dusty environments.
- Always place the scanner on a flat, level surface.
- Do not let any foreign substances enter the product. Do not place heavy objects, liquids, or metals on the product.
- Use only official parts and components provided by the manufacturer for this product.
- Keep small accessories or packaging material away from children.
- If the scanner emits a strange sound, burning smell, or smoke, turn off the power immediately and unplug the power cord. If the scanner is dropped or its exterior is damaged, turn off the power immediately and unplug the power cord.
- Do not let the scanner near water or moisture.
- The power input for this scanner is 24 V, 1.5 A. Use only the power cord and power adapter supplied with the scanner. Using any other power cords may cause a fire, electrical shock, or injury.

Caution

Electronics, such as scanners, are prone to damage by static electricity. Therefore, to protect the scanner from static electricity, be sure to turn off the scanner before connecting or disconnecting the cable to the rear of the scanner. If the scanner is damaged by static electricity, contact your local dealer.

This equipment is not suitable for use in locations where children are likely to be present. When the printer is operating with the cover open, do not wear anything that can touch the drive, such as clothing, necklaces, rings, watches, or employee certificates close to it. Also, keep yourself away from the printer as it is dangerous for some parts of the body to come into contact with it. If an object or part of your body touches the drive, immediately disconnect the power cord or turn off the power switch on the back of the product.

Waste electrical and electric equipment (WEEE)

This marking shown on the product or its literature indicates that it should not be disposed of with other household wastes at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of waste and recycle it responsibly to promote the sustainable reuse of material resources. Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take this item for environmentally safe recycling. Business users should contact their suppliers and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.

Product overview

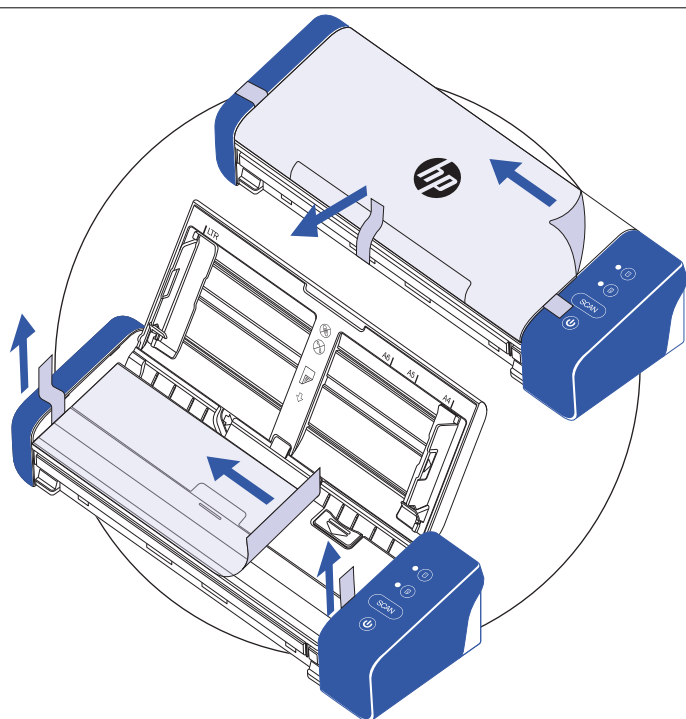

Setup instructions

Placing the scanner

Install the scanner in a location that meets the following conditions:

- Allow sufficient space around the scanner for proper ventilation and paper scanning.
- Do not place objects close to the back or bottom of the scanner, which may hinder air circulation.
- Place on a flat and level surface.
- Avoid humid, dusty environments.

Powering the scanner

1

Remove protective tape from the scanner and inside the feeder.

2

Insert the plug that corresponds to your location onto the AC adapter.

Next, connect the scanner to a power outlet using the AC adapter. Then, connect the scanner to your computer using the USB cable.

Setup instructions (Continued)

3

Turn on the scanner with the power button.

4

Install the HP WorkScan software at hpworksolutions.com/setup to start using your scanner.

NOTE:

Your computer will not recognize the scanner unless the drivers are installed. The drivers will automatically install themselves when the software is installed. The software must be installed before attempting to connect the scanner.

Operating instructions

Operating the scanner via document extension plate

1

Make sure that the scanner is turned on.

2

Make sure your documents are in a nice, even stack. Align the edge of the documents into a step-like pattern.

3

Unfold the top of the scanner to reveal the document extension plate.

Operating instructions (Continued)

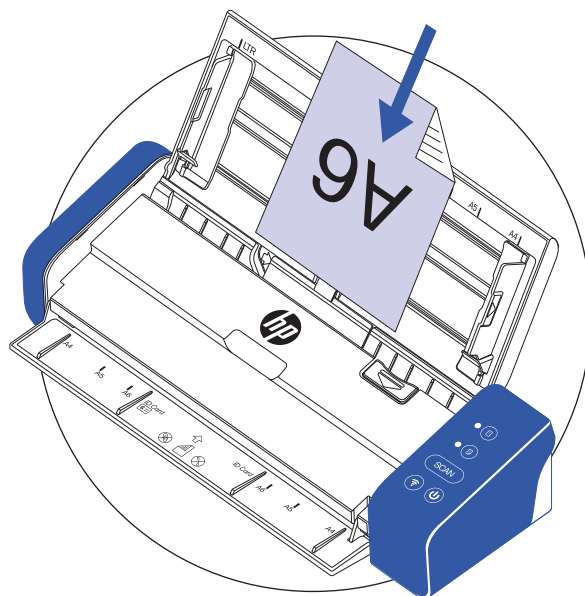

4

Raise the document guides to hold your documents.

NOTE: Multipage scanning allows for multiple documents to be scanned through the top of the scanner using the document extension plate. Make sure documents are also faced down toward the extension plate.

Load the stack of documents facing down with the top pages pointing into the feeder.

5

6

Activate the scan from the software or press the scan button on the scanner to start the scan. Note that the scan button only works with the HP WorkScan software.

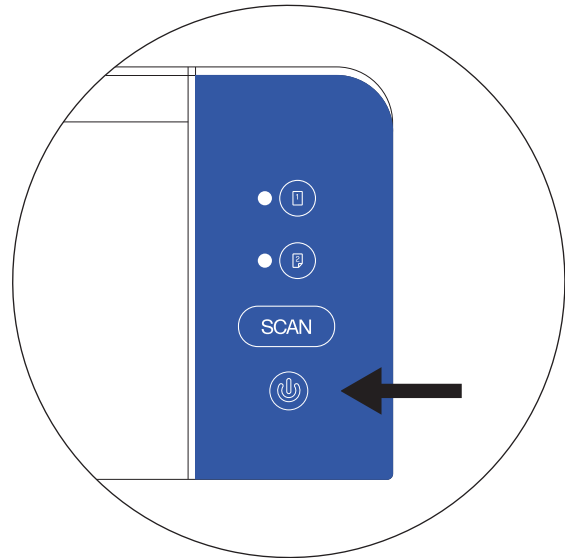

NOTE: Press the simplex or duplex button for single- or double-sided scanning before activating the scan. Keep in mind selecting the scan method in the software can override what is selected on the scanner.

Operating instructions (Continued)

Operating the scanner via front feed tray

1

Make sure that the scanner is turned on.

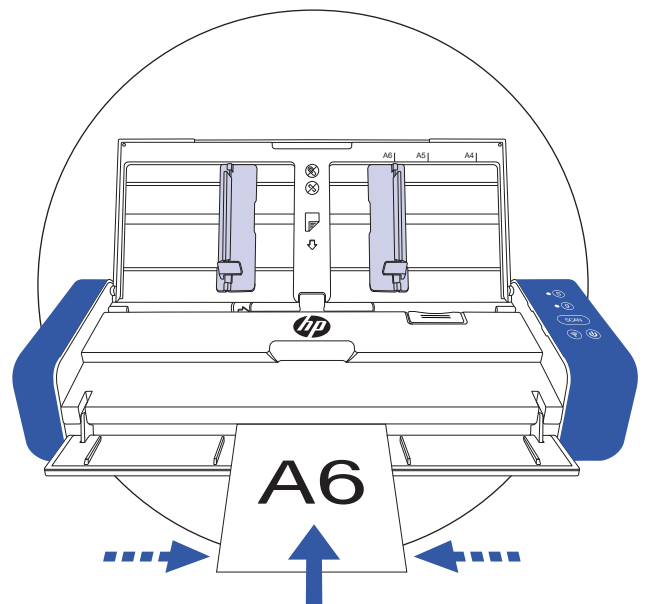

2

Load a single-page document into the front feed tray. Make sure the text on the document is facing down and the top of the page is pointed toward the feeder.

3

Center your document with paper size marks.

Operating instructions (Continued)

4

Activate the scan from the software or press the scan button on the scanner to start the scan.

Attention!

When scanning documents of various sizes and weights, align documents from largest to smallest. If two documents are the same size, then align them from heaviest to lightest. When placing them into the feeder from the document extension plate, make sure all the documents in the stack are centered

Warranty

LIMITED WARRANTY TO ORIGINAL CONSUMER

This HP Portable Desktop Scanner ("Product"), including any accessories included in the original packaging, as supplied and distributed new by an authorized retailer is warranted by C&A Marketing, Inc. (the "Company") to the original consumer purchaser only, against certain defects in material and workmanship ("Warranty") as follows:

To receive Warranty service, the original consumer purchaser must contact the Company or its authorized service provider for problem determination and service procedures. Proof of purchase in the form of a bill of sale or receipted invoice, evidencing that the Product is within the applicable Warranty period(s), MUST be presented to the Company or its authorized service provider in order to obtain the requested service.

Service options, parts availability, and response times may vary and may change at any time. In accordance with applicable law, the Company may require that you furnish additional documents and/or comply with registration requirements before receiving warranty service. Please contact our customer service for details on obtaining warranty service:

Email: support@hpworksolutions.com

Phone: 1-877-424-9746

Shipping expenses to the Company's Return Facility are not covered by this warranty, and must be paid by the consumer. The consumer likewise bears all risk of loss or further damage to the Product until delivery to said facility.

EXCLUSIONS AND LIMITATIONS The Company warrants the Product against defects in materials and workmanship under normal use for a period of TWO (2) YEARS from the date of retail purchase by the original end-user purchaser ("Warranty Period"). If a hardware defect arises and a valid claim is received within the Warranty Period, the Company, at its sole option and to the extent permitted by law, will either (1) repair the Product defect at no charge, using new or refurbished replacement parts, (2) exchange the Product with a Product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original device, or (3) refund the purchase price of the Product.

A replacement Product or part thereof shall enjoy the warranty of the original Product for the remainder of the Warranty Period, or ninety (90) days from the date of replacement or repair, whichever provides you longer protection. When a Product or part is exchanged, any replacement item becomes your property, while the replaced item becomes the Company's property. Refunds can only be given if the original Product is returned.

This Warranty does not apply to:

- (a) Any non-HP Portable Desktop Scanner product, hardware or software, even if packaged or sold with the Product;
- (b) Damage caused by use with non-HP Portable Desktop Scanner products;
- (c) Damage caused by accident, abuse, misuse, flood, fire, earthquake, or other external causes;
- (d) Damage caused by operating the Product outside the permitted or intended uses described by the Company;
- (e) Damage caused by third-party services;
- (f) A Product or part that has been modified to alter functionality or capability without the written permission of the Company;
- (g) Consumable parts, such as batteries, fuses, and bulbs;
- (h) Cosmetic damage; or

Warranty (Continued)

(i) If any HP Portable Desktop Scanner serial number has been removed or defaced.

This Warranty is valid only in the country where the consumer purchased the Product, and only applies to Products purchased and serviced in that country.

The Company does not warrant that the operation of the Product will be uninterrupted or error-free. The Company is not responsible for damage arising from your failure to follow instructions relating to its use.

NOTWITHSTANDING ANYTHING TO THE CONTRARY AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE COMPANY PROVIDES THE PRODUCT "AS-IS" AND "AS-AVAILABLE" FOR YOUR CONVENIENCE AND THE COMPANY AND ITS LICENSORS AND SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND CONDITIONS, WHETHER EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUIET ENJOYMENT, ACCURACY, AND NON-INFRINGEMENT OF THIRD-PARTY RIGHTS. THE COMPANY DOES NOT GUARANTEE ANY SPECIFIC RESULTS FROM THE USE OF THE PRODUCT, OR THAT THE COMPANY WILL CONTINUE TO OFFER OR MAKE AVAILABLE THE PRODUCT FOR ANY PARTICULAR LENGTH OF TIME. THE COMPANY FURTHER DISCLAIMS ALL WARRANTIES AFTER THE EXPRESS WARRANTY PERIOD STATED ABOVE.

YOU USE THE PRODUCT AT YOUR OWN DISCRETION AND RISK. YOU WILL BE SOLELY RESPONSIBLE FOR (AND THE COMPANY DISCLAIMS) ANY AND ALL LOSS, LIABILITY, OR DAMAGES RESULTING FROM YOUR USE OF THE PRODUCT.

NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM THE COMPANY OR THROUGH ITS AUTHORIZED SERVICE PROVIDERS SHALL CREATE ANY WARRANTY.

IN NO EVENT WILL THE COMPANY'S TOTAL CUMULATIVE LIABILITY ARISING FROM OR RELATED TO THE PRODUCT, WHETHER IN CONTRACT OR TORT OR OTHERWISE EXCEED THE FEES ACTUALLY PAID BY YOU TO THE COMPANY OR ANY OF ITS AUTHORIZED RESELLERS FOR THE PRODUCT AT ISSUE IN THE LAST YEAR FROM YOUR PURCHASE. THIS LIMITATION IS CUMULATIVE AND WILL NOT BE INCREASED BY THE EXISTENCE OF MORE THAN ONE INCIDENT OR CLAIM. THE COMPANY DISCLAIMS ALL LIABILITY OF ANY KIND OF ITS LICENSORS AND SUPPLIERS. IN NO EVENT WILL THE COMPANY OR ITS LICENSORS, MANUFACTURERS, AND SUPPLIERS BE LIABLE FOR ANY INCIDENTAL, DIRECT, INDIRECT, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES (SUCH AS, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, BUSINESS, SAVINGS, DATA, OR RECORDS) CAUSED BY THE USE, MISUSE, OR INABILITY TO USE THE PRODUCT.

Nothing in these terms shall attempt to exclude liability that cannot be excluded under applicable law. Some countries, states, or provinces do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on warranties, so certain limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state or province to province. Contact your authorized retailer to determine if another warranty applies.

FCC Statement

The United States Federal Communications Commission (in 47 CFR 15.105) has specified that the following notice be brought to the attention of users of this product, HP Mobile Scanner PS200.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Modifications (part 15.21)

Any changes or modifications made to this device that are not expressly approved by C&A Marketing may void the user's authority to operate the equipment.
