ABOUT ME

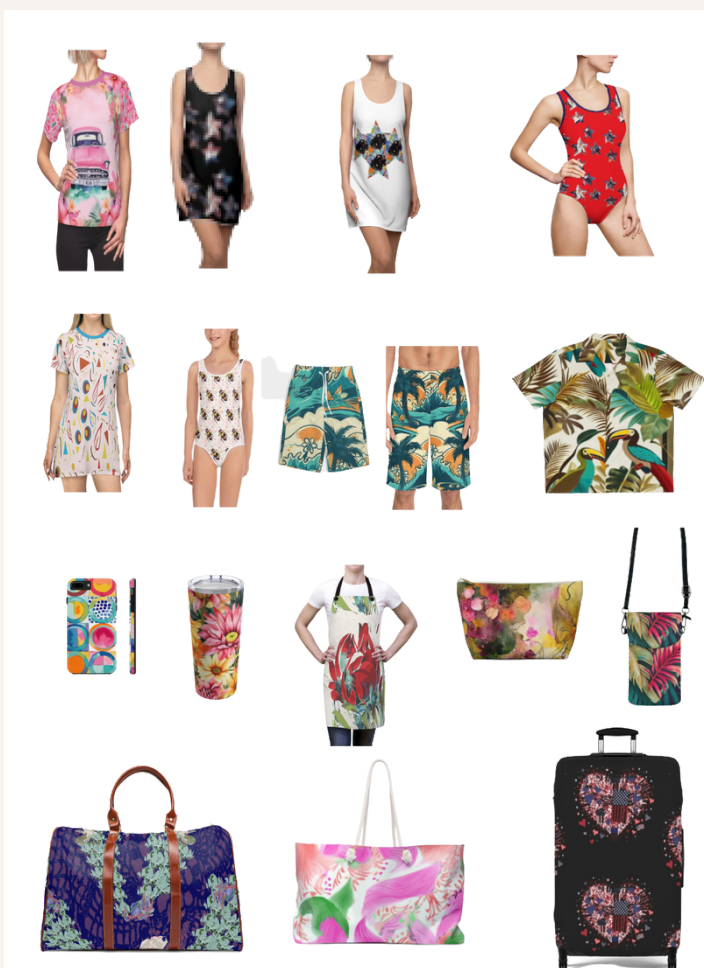

Miniaday Designs is the creative brainchild of Patti Booth, a passionate artist, surface pattern designer, and educator. Drawing inspiration from the beauty of nature and the nuances of everyday life, Patti's designs embody a fusion of diverse cultures, flora, and fauna. With extensive experience and the privilege of living in various corners of the world, Patti has crafted a wide array of products that include art, prints, note cards, bags, backpacks, and more.

PRODUCTS

Miniaday Designs boasts a diverse portfolio of over 251 unique products. Each item is a testament to Patti's artistic prowess and her ability to translate the beauty of the world into tangible, everyday items.

ONLINE PRESENCE

Miniaday Designs has a robust online presence, with a YouTube channel that has garnered over 52,000 views. Here, viewers can explore delightful miniature art and dollhouses, a further testament to Patti's versatility as an artist.
