laurelbox

We make sending a beautiful, heartfelt sympathy gift simple for your corporation or organization. Our curated laurelboxes are specifically designed to nourish the soul after loss.

We offer both curated gifts and custom gifts so that you can be sure to send the perfect gift of support. View our catalogue for a sample of our gifts! Our catalogue is constantly evolving, so please reach out to us to see our most recent offerings.

We are Denise and Johanna, cousins and best friends. When dear friends of ours lost children, siblings, and parents, we recognized a need for beautiful gifts that would speak to loss.

Warmly,
Johanna + Denise
