

# 2022 Elysian Rose

---

## Santa Ynez Valley, California

### **The Wine:**

A blend of Grenache and Syrah grapes grown in the beautiful vineyards of the Santa Ynez, AVA. The winemaker, Josh Klapper, of Brave & Maiden Winery, took special care to pick the fruit slightly early to help maintain acidity, freshness and keep the alcohol levels lower. The juice was fermented in 80% stainless steel and 20% neutral French oak. The steel helps keep the buoyancy and freshness while the neutral French oak creates depth. 112 cases made.

### **The Project:**

Our partnership with Josh Klapper was formed from a mutual philosophy on wine and winemaking. Limited production wines from sustainable vineyards with minimal intervention, allowing the vineyard and the fruit to do the talking. The wines are all sourced from sustainable vineyards in the Central Coast region of California.

### **Tasting Notes:**

**Color:** Light, pale watermelon pink.

**Aromas:** Tart red berries, peach and hints of minerals.

**Flavor & Texture:** Crisp and buoyant with flavors of tart strawberry, white pepper and nectarine.

**Food Pairing:** Seared ahi tuna salad.
