

# INNOVATIVE NEW PRODUCT FROM LOCK TECHNOLOGY, INC AVAILABLE EARLY 4TH QUARTER

## LT1920XL 16 Piece SAE Shockit™ Line Wrench Set HEAVY DUTY INDUSTRIAL/HYDRAULIC LINE FITTINGS

- Loosens hydraulic fittings on steering, brake, AC & fuel systems "The Shockit™ Way"!
- Air hammer powered
- Uses the force and vibration of an air hammer
- Hyper sonic vibration eliminates thread galling
- Reaches difficult line nuts with offset punch
- Compact design fits where other wrenches won't
- No more subframe removal when working on steering rack hydraulic fittings
- No more heat shield removal when working on ABS brake module hydraulic fittings
- Built to precise ISO 1174-2 DIN tolerances
- 30% more steel, 30% stronger
- Includes non-turning offset 8mm radius tip LT1910P 11" Standard Shockit™ Punch
- 8mm indexed holes designed to keep Shockit™ Punches from slipping off line wrench
- Additional Shockit™ Punches sold separately: LT1910PS - 5.5" & LT1910PL - 22"
- Must be used with Shockit™ Punches for maximum performance and warranty coverage
- Patent #7,677,143 and other patents pending
- Lifetime warranty for manufacturing defects only

**AIR HAMMER  
POWERED**
