Our Sniffology

Created by pet aromatherapists.

Woodland Wonderfur™

This rich aromatic woody scent opens with a hint of citrus petitgrain to uplift and revive the senses. Fresh green grass notes of vetiver are delicately entwined with an infusion of warm camphorous cedarwood bark oil.

A few drops of juniper berry bring rich comforting aromatics to create a wonderful woodland vibe, while herbaceous ho leaf infuses a beautiful soothing 'scents' of peace, cool and calm in the woods.

Specially developed for dogs

It's the Sniffe that makes us different and at the heart of our philosowoofy.

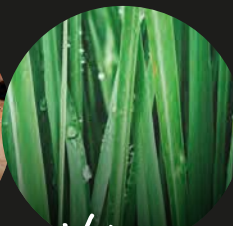

Our signature Sniffe, Woodland Wonderfur™ has been specially created by pet aromatherapists using 100% natural essential oils, renowned for their calming and soothing benefits.

Inspired by fine fragrance trends, this aromatic woody scent blends cedarwood, petitgrain, vetiver, juniper berry & ho leaf essential oils that appeal to both hounds and humans alike.

Cedarwood

Cedarwood oil has a sweet warm woody aroma, its smooth slightly spicy notes have rich balsamic undertones that help promote emotional balance and feelings of vitality and wellness.

Vetiver

Known as the oil of tranquility, this aromatic root plant has a wonderful woody reviving scent of fresh crushed grass and fragrant earthy notes, it is said to help calm and reduce anxiety and stress.

Ho leaf

Known as the Tree of Life, Ho Leaf essential oil is distilled from the leaves of a tall green evergreen tree (Camphor Tree). It has a refreshing clean, sweet woody scent with delicate fragrant leaves.

Petitgrain

A fresh citrus scent derived from the leaves and twigs of bitter orange. Calming and relaxing, uplifting and reviving, this antioxidant rich essential oils is renowned for its balancing properties.

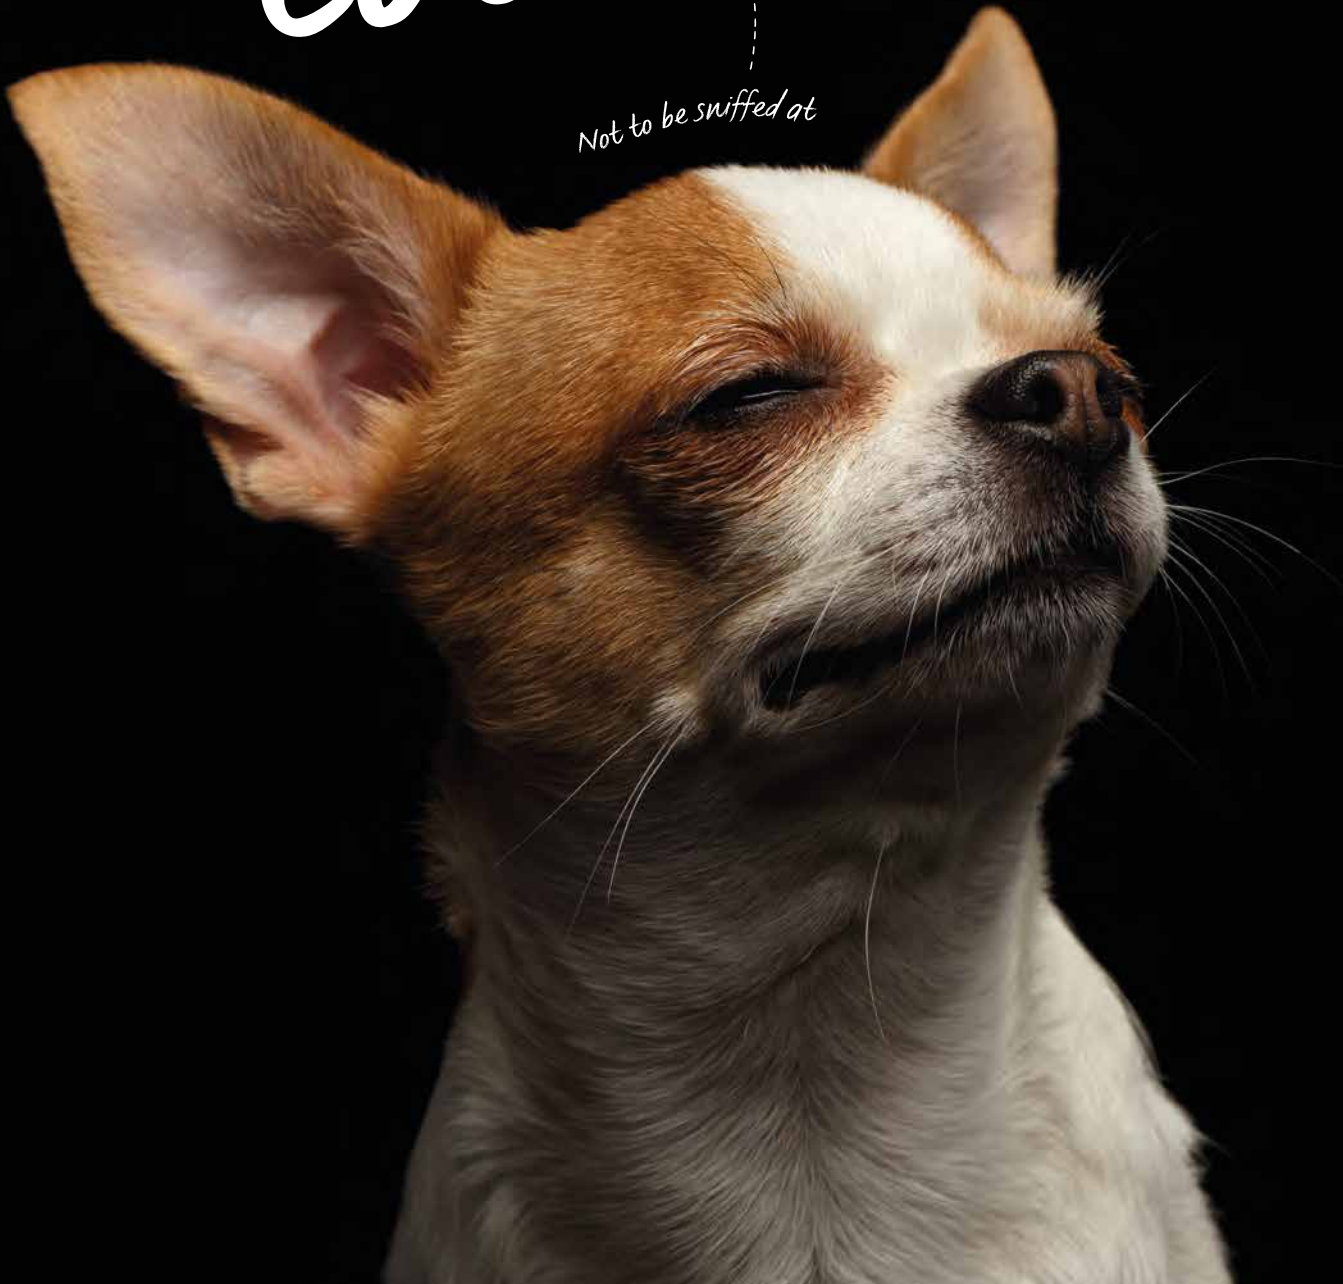

Juniper

Extracted from the berry juice of the juniper tree, it has wonderful sweet earthy woody fruit note, renowned in aromatherapy for its antiseptic healing properties, it is said to help calm and relax.
