LIGHTING
ALLIANCE**

TERMS AND CONDITIONS OF SALE

These standard terms and conditions of sale (“Terms and Conditions”) apply to any and all orders placed by purchaser (“Purchaser”) for purchases of products or services (together, “Products”) from and after the date this document is effective from Global Lighting Alliance and its affiliates (“GLA”), whether or not such purchase is subject to a signed purchase order, distribution or other agreement between GLA and Purchaser. Ordering Products from GLA constitutes acceptance of the terms set forth herein, as such terms may have been updated through the date of such order. Any different or additional terms in any purchase order, blanket instructions or other writing from Purchaser shall be deemed a material alteration hereof and are hereby expressly objected to and rejected and shall be of no force or effect. Commencement of performance or shipment shall not be construed as acceptance of any of Purchaser’s terms and conditions which are different from or in addition to those contained in the Agreement. Course of performance or usage of trade shall not be applied to modify these Terms and Conditions.

ORDERS; CHANGES AND CANCELLATIONS

All orders must be placed in writing and delivered directly to GLA from the entity that will be liable for the payment of the order. Verbal orders or orders through a third party will not be accepted. No order is final as to GLA until accepted by GLA by written acknowledgement. All orders that are accepted by GLA are subject to these Terms and Conditions. After acceptance, requests to cancel or change orders must be submitted in writing to GLA. All requests are reviewed for approval before processing and are subject to any and all cost or expense incurred by GLA from such cancellation or change including, without limitation, costs for work performed and/or materials purchased by GLA for Products. Hold orders may be accepted for informational purposes only. Procurement and production process will not be initiated and delivery commitments will not be provided without firm release dates.

PRICES

All prices represent those in effect at the time of quotation and are subject to change without notice. All prices are as stated in GLA’s quote and specifically override any prices referenced in Purchaser’s purchase order. Unless prices are quoted as “firm” by an officer of GLA, GLA reserves the right to invoice prices in effect at the date of shipment, regardless of any prior quote and regardless of whether notice was received by Purchaser. All prices and other terms are subject to correction for typographical or clerical errors.

SALES MATERIALS; SPECIFICATIONS

Any catalog, specification or price sheet or other similar documentation prepared by GLA is strictly for the convenience of the user and shall not be deemed as an offer to sell. GLA believes such documentation is complete and accurate at time of printing, but does not warrant that such documentation is error free. GLA will not accept responsibility for any damages including labor charge backs in connection with errors of measurements, descriptions, application recommendations, etc.

Products will be shipped in accordance with the standard styles and sizes as described in GLA's catalogs or, for special or made-to-order Products, in accordance with GLA's drawings and specifications sheets. In the event of a conflict between a customer's written order and a GLA drawing or specification sheet marked "approved" or the like, the GLA drawing or specification sheet shall prevail. GLA reserves the right to change details of design, materials and finish at any time without written notice.

TERMS OF PAYMENT

Terms of payment for orders shipped to destinations in the United States shall be as stated in GLA's invoice, unless otherwise agreed to in writing by GLA. The terms of payment are subject to review of Purchaser's credit by GLA. GLA shall have the right, at any time and from time to time, to require cash payments in advance or a letter of credit or other assurance of payment satisfactory to GLA as a condition to acceptance of any order or shipment of any Product.

Unless otherwise agreed to by GLA, payment shall be by check to be drawn on Purchaser's corporate account, by wire transfer to GLA's account at a commercial bank designated by GLA, or by GLA's draw upon a letter of credit satisfactory in form and substance to GLA. If payment will be made by credit card, Purchaser agrees to a checkout fee of 3 percent of the total amount due on the invoice, and agrees to inform the GLA so that such checkout fee can be itemized on the invoice.

The requirement of a letter of credit is standard for shipments outside the United States for special products, and for F.O.B. factory orders. All payments by Purchaser shall be made in United States Dollars and shall be paid in full prior to shipment of Products, without set-off, deduction or counterclaim.

TAXES AND GOVERNMENTAL CHARGES

Prices do not include any taxes or other governmental fees, charges or assessments, including, without limitation, value-added, sales, use or privileges taxes, required governmental withholdings or excise or similar taxes levied by any government, now or hereafter enacted. In GLA's discretion, any such taxes, charges or withholdings may be added to the price for any Products or may be billed separately. Purchaser will pay all

such taxes and charges, on or before their due dates. In the event GLA is required at any time to pay any such tax or charge, Purchaser will reimburse GLA promptly on demand.

LATE CHARGES; COSTS

If Purchaser fails to pay in full without any set off or deduction any amount due to GLA promptly when due, GLA may recover, in addition to the payment due, interest thereon at a rate equal to the lesser of 1-1/2% per month and the maximum rate of interest allowable under applicable law and Purchaser shall be liable for all costs and expenses, including reasonable attorneys' fees, incurred by GLA in collecting or attempting to collect any and all overdue accounts. If Purchaser fails to pay any amount when due, in addition to any other rights or remedies available to GLA at law or in equity, GLA may discontinue the performance of services, discontinue the delivery of the product, or deduct the unpaid amount from any amounts otherwise owed to Purchaser by GLA under any agreement with Purchaser.

SECURITY INTEREST

Purchaser hereby grants to GLA a purchase money security interest in the products until all payments have been made. Purchaser shall sign any financing statements or other documents necessary to perfect GLA's security interests in the products. Where permitted by applicable law, Purchaser's signature on the quotation or on a purchase order issued as a result of the quotation gives GLA the right to sign on Purchaser's behalf and file any financing statement or other documents to perfect GLA's security interest in the product.

PACKAGING AND HANDLING

GLA shall determine the method of packaging for all Products. If Purchaser requires special packaging or handling, such request must be made in writing and charges for special packaging, handling, and delivery shall be added to the price of the Products. Unless specifically agreed to in writing, GLA will not be responsible for the payment of any penalties or special handling charges relating to GLA's failure to comply with a customer's special requirement for order processing, handling, packaging, shipping or invoicing.

SHIPMENT, DELIVERY AND TITLE

Products will be tendered and shipped FOB (Incoterms 2010) GLA's plant or warehouse and title to and risk of loss of the Product shall pass to Purchaser at such point. Purchaser shall obtain and pay for insurance covering such risks at such destination. GLA will select the carrier and routing and ship Products freight prepaid and added to the price of the Products. GLA may, in its discretion, choose to make partial shipments and shall bill each shipment as it is made, but on terms applicable to the complete order. Upon request, GLA may drop-ship individual orders of \$1,000 or more to any one destination within the continental United States. GLA may refuse to make direct shipments outside of Purchaser's regular service area. Orders that are for less than \$1,000

in total are subject to a \$100 shipping and handling fee. GLA may, at its discretion, offer freight allowances for orders in excess of certain set prices and/or for orders shipped outside the continental United States. Purchaser shall contact GLA for the applicable terms and conditions of any freight allowances offered by GLA. Where GLA provides such an allowance to Purchaser, GLA will use its own discretion in routing the shipment. If a more expensive means of transportation or other special delivery requirements are requested by Purchaser, Purchaser assumes and shall pay all additional costs.

Delivery dates of all shipments are estimated and are not guaranteed. The shipment date mentioned on GLA's quote or order acknowledgement, if any, is GLA's approximation of a shipment date, and is not a fixed or guaranteed shipment date. GLA assumes no liability in connection with any delay in delivery. Postponement of deliveries at Purchaser's request, if for a period of more than ten (10) days, will not be permitted unless prior approval is given by an authorized officer of GLA. Any claims for shortages, losses, or damages sustained in transit shall be made by Purchaser with the carrier and must be documented on delivery receipt. Upon request, GLA will provide evidence of delivery of Products to the carrier, but reserves the right to charge a reasonable fee for all proof of delivery requests.

PRODUCT ACCEPTANCE

All Products delivered hereunder shall be deemed accepted by Purchaser as conforming to this Agreement, and Purchaser shall have no right to revoke any acceptance, unless written notice of the claimed nonconformity is received by GLA within sixty (60) days of delivery thereof. Notwithstanding the foregoing, any use of a product by Purchaser, its agents, employees, contractors or licensees, for any purpose, after delivery thereof, shall constitute acceptance of that product by Purchaser.

FORCE MAJEURE

GLA shall have no liability or obligation in connection with any failure to manufacture or deliver due to causes beyond GLA's reasonable control including but not limited to strikes, lockouts, fires, riots, wars, acts of God, inability to obtain materials, components or supplies, failure or breakdown of machinery, production scheduling delays, government regulations or other conditions.

A copy of the authorized RA form must be included with the return shipment.

NO PRODUCT RETURNS WILL BE ACCEPTED BY GLA IF NOT ACCOMPANIED BY A VALID RA NUMBER AND THE ORIGINAL PURCHASE INVOICE COPY. Product returned without both an original purchase invoice copy and RA number will either be refused or returned to Purchaser at Purchaser's expense. GLA is not liable for loss or damage to unauthorized product returns. Once issued, RA numbers are valid for 30 days. Any returns received after 30 days of the issuance of an RA will be refused. Purchaser is responsible for all return freight charges, including taxes, customs and duties if applicable. All product returned for credit must be new, undamaged, and in factory sealed packaging. Any and all obligations of GLA to export, re-export or transfer Products as well as any technical assistance, training, investments, financial assistance, financing and brokering will be subject in all respects to such Export Regulations and will from time to time govern the license and delivery of Products and technology abroad by persons subject to the jurisdiction of the relevant authorities responsible for such Export Regulations. If the delivery of products, services and/or documentation is subject to the granting of an export or import license by certain governmental authorities or otherwise restricted or prohibited due to export/import control regulations, GLA may suspend its obligations and the Purchaser's/end-user's rights until such license is granted or for the duration of such restrictions or prohibitions. Furthermore, GLA may at its option terminate the relevant order in all cases without incurring any liability towards the Purchaser or end-user.

Purchaser warrants that it will comply in all respects with the export, re-export and transfer restrictions set forth in such Export Regulations or in export licenses (if any) for every Product supplied to Purchaser. Purchaser shall not sell, transfer, sublicense, reverse engineer or disassemble or redistribute the software. Purchaser shall not copy, disclose, or display any such software or otherwise make it available to others. Software licensed or provided by GLA to Purchaser may require that Purchaser agree to a separate service agreement or terms of use in connection with the license or use of such software. Purchaser hereby agrees to be bound by any such service agreement or terms of use to the extent accepted by Purchaser prior to use of the software and that such terms shall be in addition to those set forth herein.
