- Pinball
- Pong
- Pool

- Jigsaw
- Runway
- Slots
- Snowdoku
- Stacks
- Tap
- Untangle
- Warp
- Wong
- Zong

Zones
Divide your interactive display into sections to leverage its multi-user collaborative capabilities.

Cards
Play a friend and chase the highest card combination in this fun casino game.

FX
Create amazing visualizations at your fingertips, making interactive surfaces come alive in restaurants, nightclubs or other public areas.

Aliens
Defend your planet against rampaging alien forces.

Wong
Fun multi-user twist to the classic arcade game.

Zong
Zong is a fun twist on Wong with the addition of obstacles, zones and pickups, as well as a 3 or 4 player option.
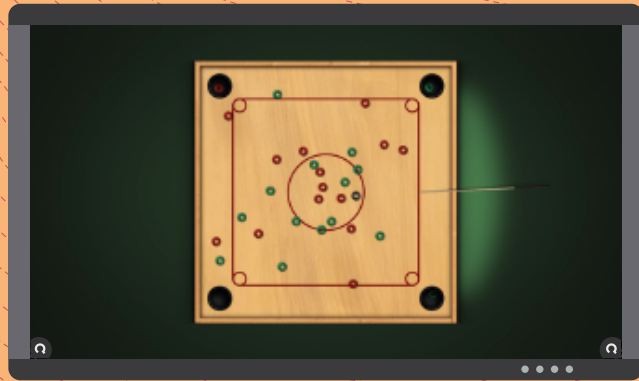

Warp
Warp is a fun single and multi-player game, that is about dodging enemies and outplaying your opponents.

Labyrinth
Guide your disc from the start to the finish and compete for the best time.

Couronne

Play a classic game of Couronne with your friends. Sink all the discs of your colour.
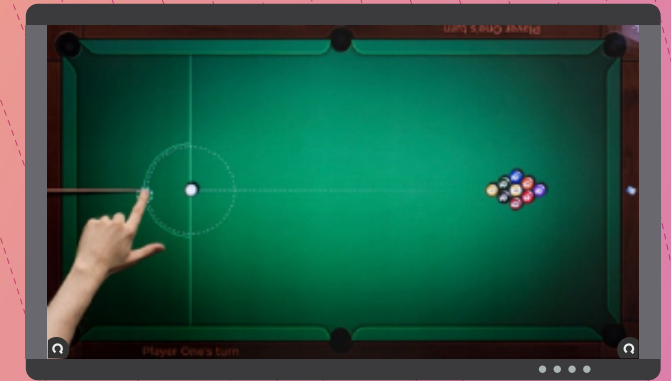

Pool

Pool is the classic game almost everybody is familiar with.

There are three modes to play: Snooker, 8-ball and 9-ball, each with their own set of rules.
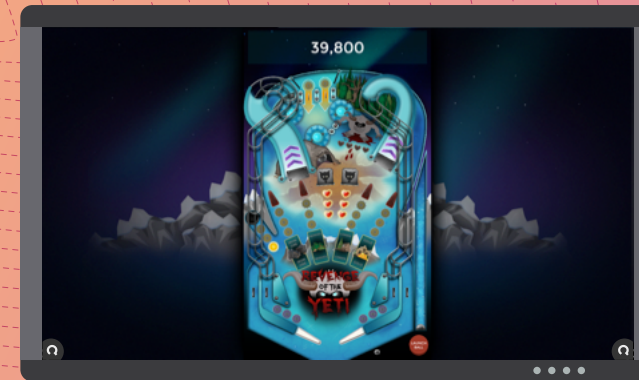

Bullseye

Bullseye is a shooting game. The player shoots at moving targets to score as many points as possible before the time runs out.
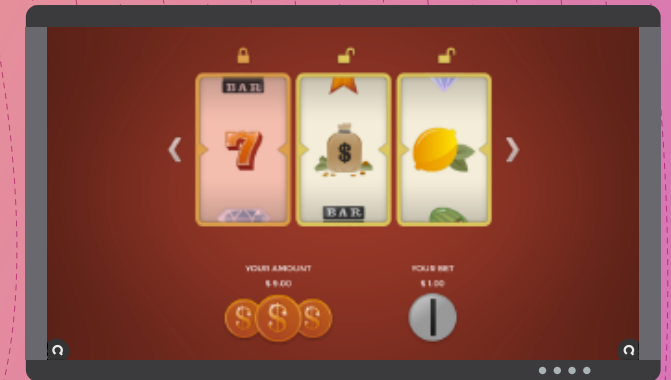

You can also play Bullseye against a friend/second player. In this mode, you use a slingshot with a pebble instead of a bow and arrow.

Pinball

Pinball is any arcade gamers dream. Score as many points as possible. Hit the different targets with the ball using the two flippers in the bottom.
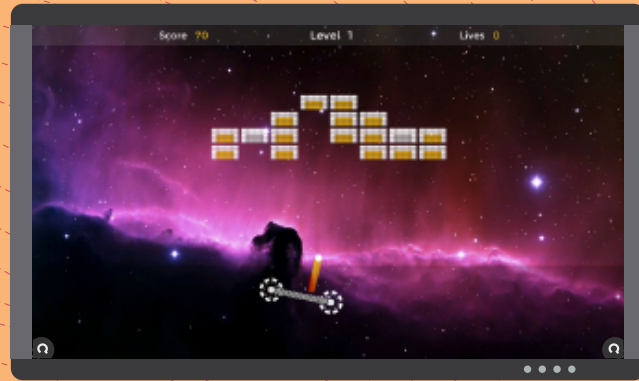

Slots

Play with virtual money, spin the reels and try to win the jackpot.

Draw
Create, save, print & email your own drawings and fun artwork.

Deflector
Test your reaction skills by destroying the blocks, reaching higher levels and beating the high score.

Gravitoy
Draw objects, control, and experience the effects of the gravity playground.

**Runway**
Land the planes on the correct runway.

Jigsaw
Entertain your target audience with personalized and branded video and picture content.

Stacks
Build a stable tower as fast as possible to beat your opponent.

Untangle
This mind-bending puzzle game can be played solo or with friends.

Curling
Beat your friends by nudging their stones out of the way.

Bugs
Collect bugs of the same family as fast as possible to win.
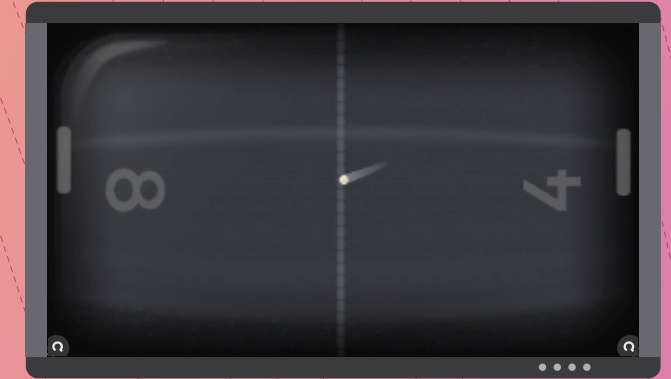

Froggy
Catch as many flies as fast as possible to get the high score.

Memory
Play a classic game of Memory with your friends.

Pong
This classic table-tennis game relies on quick hands.

Drums
Rock the drum kit to create your own sounds.

Piano
Play and record your own compositions.

Airhockey
Fast-paced entertaining arcade game.

Tap
Test your reflexes by tapping the buttons as fast as you can.

Snowdoku
Solve the number puzzle as fast as you can.

Configurator
Quickly create your own personalized, branded look and feel, without the need to program. Easily change backgrounds, icons, text, game settings, menu layouts, and other content, to fit your personal preference.
