There are many options for keyguards, size of the iPad, which case is used, etc.

1. Please go to the Keyguard Assistive Technology website, www.keyguardAT.com. Create your order by selecting each item you want, specifying the settings exactly as you have them set in the program being used. If you choose a setting that complicates the design, an additional charge may be added.
2. Add to cart. View cart
3. **Copy just** the options and paste it in an email to me (SEE EXAMPLE BELOW). Add your billing and ship to information and I will create a quote for you in Canadian funds. VERY IMPORTANT - I will not be able to do a quote based on a screen shot it MUST be copy and paste

Once email is received, I will do a quote for the keyguard in Canadian Funds.

Custom Made Special Order. Non-Cancelable/Non-Returnable/Non-Refundable. Sale is final.
