Stick Kit (Consumables) Stick-Hydrophobic Filter-Line/Luer

### **Supplies Pack - Q-Supplies**

This bundle deal allows you to stock up on all the replacement supplies you need! With a Line & Luer, 2 Sticks, 2 Hydrophobic Filter, and 4 Saliva Filters, this supplies package will cover all the critical parts that need periodic replacement.

*For sanitary reasons, once it is shipped, we cannot take the product back.*

### **Stick (Straw)**

- **Q-Stick-2**
- **Q-Stick-5**
- **QO-HYSTK-2**

NEW replacement of our standard style stick for the QuadJoy with a male connection.

Old style stick has a female connection. Chances are you don't need this unless you talked with us and know you need it. If you have doubts, please give us the last gallery picture shows the differences.

*For sanitary reasons, once it is shipped, we cannot take the product back.*

### **Saliva Filters**

- **QF-S03-12**
- **QF-S03-100**

Saliva Filters are important for prolonging the lifespan of your QuadJoy by preventing saliva from damaging the internals. These need to be replaced periodically to maintain a clean QuadJoy.

*For sanitary reasons, once it is shipped, we cannot take the product back.*

**2 Line & Luer - Q-LL-2**
