

The universal class of portable full HD magnifiers

VisioDesk and VisioBook HD are portable full HD video magnifiers that provide exceptional image quality, and fold flat for convenient portability, or easy storage when not in use. Full-size desktop solutions are large and heavy. VisioDesk and VisioBook HD are lightweight and compact, making them ideal for anyone wishing to magnify text or images, even in cramped spaces. The ingenious design and quality manufacturing of VisioDesk and VisioBook HD means you get the latest technology, the sharpest picture, and simple operation in two of the lightest desktop magnifiers ever produced.

- Lightweight and portable
- Folds and stows in seconds
- Superior image quality, due to full HD camera, signal processing, and screen
- Full HD camera for distance and close-up viewing
- Viewing comfort with 12.5" or 15.6" screen
- More than 5 hours of battery life
- Simple and intuitive operation
- Modern and timeless design

The ideal companion for reading and working on the move

Wherever you need magnification assistance, VisioDesk and VisioBook HD offer high quality magnification in a portable, lightweight design. Small text passages and objects can be magnified up to 40x with VisioDesk, and up to 30x with VisioBook HD. Both models provide full HD resolution with true colour contrast, enhanced view (positive and negative), and a variety of

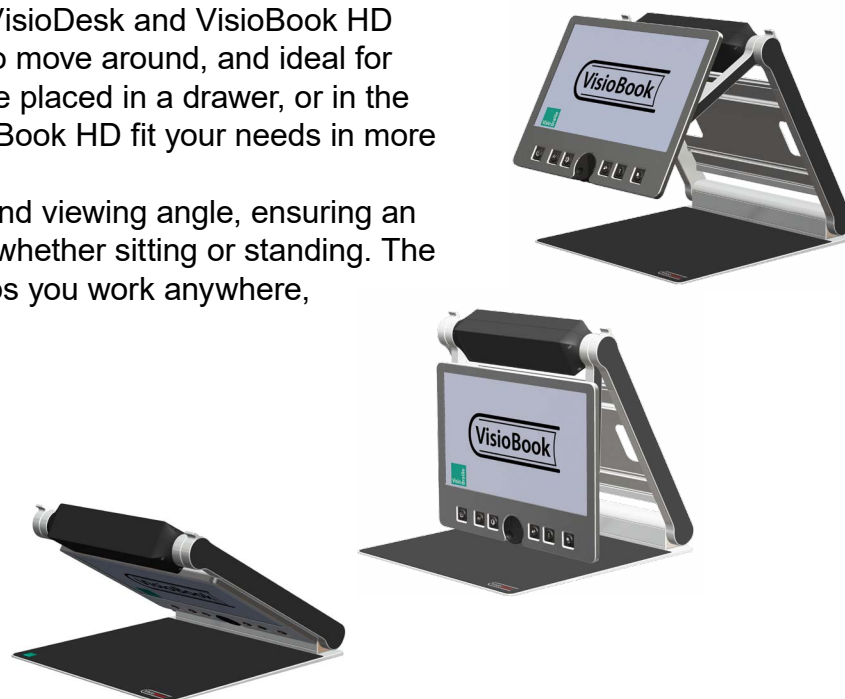

foreground and background colour combinations, such as yellow on black. The image optimizer and the auto focus add the finishing touch to the superior image quality.

Both models are very easy and intuitive to use. The camera rotates back and forth as you switch between the Mirror, Distance, or Reading modes. Regardless of the viewing mode you choose, enjoy the same high quality, full HD image.

Folds like a Notebook

Thanks to the ingenious folding system, VisioDesk and VisioBook HD collapse in seconds, making them easy to move around, and ideal for storage in small spaces. Whether they are placed in a drawer, or in the supplied carry case, VisioDesk and VisioBook HD fit your needs in more ways than one.

The screen is also adjustable for height and viewing angle, ensuring an optimal position for comfortable reading, whether sitting or standing. The more than 5 hours of battery runtime helps you work anywhere, even when electric power is unavailable.

VisioDesk can be used virtually anywhere.

VisioDesk

The mobile video magnifier, VisioDesk, has a 15.6" screen for better viewing of magnified text and images, including large documents and books. Accessing even the smallest fonts is possible, thanks to magnification up to 40x.

VisioDesk is compact and lightweight at approximately 10 pounds. The rechargeable battery provides 5 hours of use on a full charge. If you prefer a portable magnifier with a larger screen, and don't want to take up a lot of space while you read, VisioDesk is the solution for you.

VisioBook HD is small, lightweight, and ideal for use on the move.

VisioBook HD

The mobile VisioBook HD, is a lightweight (approx 7 pounds) portable magnifier that folds flat like a notebook for easy transportation or storage. Thanks to its compact size, VisioBook HD fits in the supplied carry bag, or stored in a drawer when not in use.

Move between classes at school, between offices at work, or take it with you when you travel. VisioBook HD is like a magnifying glass with a larger screen, except that with VisioBook HD, your hands are free during reading.

With the rechargeable battery, VisioBook HD can operate for 5 hours. So you can use it virtually anywhere, including home, work, school, at the library, or when you travel.

Specifications: VisioDesk

Magnification and Colour:

- 1.8x to 40x
- True colour and contrast modes, with 14 enhanced colour combinations (positive and negative)

Operation:

- Panel with 6 buttons and zoom control
- Autofocus (switched off)
- Folding mechanism with three joints

Flat screen and Camera:

- 40 cm (15.6") 16:9 wide screen monitor with LED lighting
- 1920 × 1080 pixels , 60 Hz display
- Full HD camera for near and distance vision

Power and Battery Supply:

- Approximately 5 hours of battery life
- Universal Power Supply (100 - 240 V, 50 - 60 Hz)

Measurements and Weight:

- Folded: 37.5 × 37.5 × 6 cm (appr. 14.7 x 14.7 x 2.3 inches)
- Unfolded: 37.5 × 37.5 × 35 - 60 cm (appr. 14.7 x 14.7 x 13.7 - 23.6 inches)
- 4.8 kg (appr. 10 pounds)

Connectors:

- USB 3.0 output (max 1920 × 1080 pixels, 60 Hz)
- HDMI input and output (max 1920 × 1080 pixels, 60 Hz)

Specifications: VisioBook HD

Magnification and Colour:

- 1.7x to 30x
- True colour and contrast modes, with 14 enhanced colour combinations (positive and negative)

Operation:

- Panel with 6 buttons and zoom control
- Autofocus (switched off)
- Folding mechanism with three joints

Flat screen and Camera:

- 32 cm (12.5") 16:9 wide screen monitor with LED lighting
- 1920 × 1080 pixels , 60 Hz display
- Full HD camera for near and distance vision

Power and Battery Supply:

- Approximately 5 hours of battery life
- Universal Power Supply (100 - 240 V, 50 - 60 Hz)

Measurements and Weight:

- Folded: 34 × 31 × 5.4 cm (appr. 13.4 × 12.2 × 2.1 inches)
- Unfolded: 34 × 31 × 32 - 53 cm (appr. 13.4 x 12.2 x 12.6 - 20.9 inches)
- 3.8 kg (appr. 7.9 pounds)

Connectors:

- USB 3.0 output (max 1920 × 1080 pixels, 60 Hz)
- HDMI input and output (max 1920 × 1080 pixels, 60 Hz)
