Follow these steps to fully specify a Mount'n Mover system.

Client Name: _____
Chair Type: _____
Second Chair: _____
Device(s) to Attach: _____

Contact Name: _____
Email: _____

4 Choose Device Attachments and Accesories

1 Choose a Mount'n Mover

2 Choose a Post Length

3 Choose Where to Mount

Step ① : Choose a Mount'n Mover

Note: All systems come with a **FREE** Quick Release Plate (QRP)

Dual Arm
Mount'n Mover

M2-TQ-H *
(High Resistance Hinge) ☐

M2-TQ-L *
(Low Resistance Hinge) ☐

Single Arm
Mount'n Mover

M1-TQ-H *
(High Resistance Hinge) ☐

M1-TQ-L *
(Low Resistance Hinge) ☐

Tilt'n Turner

M0-TQ-H *
(High Resistance Hinge) ☐

M0-TQ-L *
(Low Resistance Hinge) ☐

---

*Hinge Resistance:

We recommend the High Resistance Hinge for heavier devices (5 lbs. [2.3 kg] or greater).

The High Resistance Hinge deters device movement when the tilt lever is <u>unlocked</u>. Both **H** and **L** hinges can be securely locked using the tilt lever lock.

Step ② : Choose a Post Length

Minimum post length is determined by the distance from the mounting point to the bottom of a person's tray or device when it is in his/her preferred operating position.
Measure **Distance A** in the diagram and select the next longest post.
Post

8" Post **P8** ☐

12" Post **P12** ☐

18" Post **P18** ☐

24" Post **P24** ☐

Custom Post Length

[_____] inches*

* Custom post lengths available.

Bottom of device

Distance A

Bottom of seat

Step ③ : Choose Where to Mount

Mount to any combination of Wheelchair, Table or Floor Stand
③ : Table Solutions

Mount'n Tilter

• Ideal for surface mounting
• Does not include QRP

MNT ☐

Table Clamp

• Attach your mount to a table!
• Designed for use with Post & Mount

TC ☐

Stand +90°

• Table stand for devices, and
• Downward tilt for mounted devices

DP-STAND90 ☐

③ : Floor Stands

Basic Floor Stand

Use your Mount'n Mover on a Floor Stand, move from wheelchair or table to Floor Stand in seconds.
Easy access from bed!

Basic FS has 2 in-line wheels and 2 "Total-Lock" casters

in-line wheel

total-lock caster

Floor Stand Options

FS ☐
(Basic Floor Stand)

Options:

• **4C** ☐
(4 "total lock" casters)

• **E** ☐
(Horizontal Extension)
Adds up to a 16" horizontal extension

Horizontal Extension Option:

Adjustable extension up to 16"

Angle adjustment ±10° for weight compensation

③ : Wheelchair Mounting
Overview

Wheelchair Mounting is divided into two stages:

3a + **3b**

Mounting Hardware & Offset*

Wheelchair Bracket

3a Select Mounting Hardware

• Direct Wheelc hair Attachment, and
• Offset Components
(*Offset components are optional*)

3b Select Wheelchair Bracket(s)

The Bracket is attached to the Mounting Hardware selected from 3a.
The Mount'n Mover Post is then inserted into the Wheelchair Bracket square clamp.

Wheelchair Mounting - 3a Select Mounting Hardware

Adapter Plate

- Most compact plate
- For Hole Spacing 1"-2"

WC-AP ☐

Multi-Purpose Plates

All Adapter Plate(s):
- Can be used as with bridge clamps.
- Accommodate a range of spacing for 1/4" or 6mm bolts.

Adapter Plates 2 and 4 can be used for:
- Permobil UniTrack
- Permobil Corpus
- Quantum/Jazzy Tie-Downs

Adapter Plate 2

- Longer plate for offset

WC-AP2 ☐

Adapter Plate 4
- More attachment options
- Also for 5/16" or 8mm bolts

WC-AP4 ☐

T-Nut

- Compatible with Invacare and Quantum slide track.

WC-TN ☐

Bridge Clamp

(Purchase Adapter Plate seperately)

Bridge clamps **must** be used in pairs, spanned with an adapter plate.

Set of 2

☐ 1" Bridge Set **WC-R1B-SET**
☐ 7/8" Bridge Set **WC-R7/8B-SET**
☐ Mixed Set (1 ea.) **WC-R-Mixed-SET**

☐ 1" Bridge (1)
☐ 7/8" Bridge (1)

Round Clamp

For mounting **vertically** to round tubing

1" Clamp **WC-R1** ☐
7/8" Clamp **WC-R7/8** ☐

Offset Options

Why Offset?
- Get around obstacles like trays, brakes, footrests and armrests.
- Position the Wheelchair Brackets and post for best position.
- Compensate for mounting angle so post is vertical.

Adapter Plate(s) can also be used to offset mounting forward or upward.

L-Angle Extension

Can be used in pairs to extend mounting up to 7"

WC-LAE ☐

Adapter Plate(s)

AP2 is a longer offset.
AP4 has more options.

WC-AP2 ☐
**WC-AP4** ☐

Angle Adjust Plate

Compatible with any mounting component. Adjust post to vertical (every 7.5°).

WC-AAP ☐

Wheelchair Mounting - 3b Select Wheelchair Bracket(s)

Solid Wheelchair Bracket

Configurable in 2 orientations.
Compact profile.
Minimal play/slop.
More secure.

30.0° 45.0° 22.5° 30.0°

WC-AAP

WB2 ☐

Use with WC-AAP for mounting at an angle (7.5 degree increments)

Adjustable Wheelchair Bracket

Use where positioning requires frequent angle adjustment.
Adjust "on-the-fly" without removing hardware.
Slight play in assembly.
Lock to every 5°.

WB ☐

Wheelchair DAESSY adapter

Compatible with DAESSY wheelchair hardware.

WB-DAESSY ☐

Step ④ : Choose Device Attachments & Accessories

Access anything, anywhere! Select access for one or multiple devices and trays

④ : BlueSky Designs Accessories

Quick Release Plate
One comes free with each Mount'n Mover.

QRP ☐

Universal Rotator
Add a degree of freedom between tilt and device. Great for eyegaze and tablets.

DP-UR ☐

Camera Plate
Turns a Quick Release Plate into a camera stand! Compatible with other tripod heads

DP-CAM3 ☐

Stand +90°
Extend your tilt range to 180°
Table stand for devices, and downward tilt for mounted devices

**DP-STAND90** ☐

Phone Plate
Landscape or protrait

Attachment plate for mobile phone. Includes an Otterbox Defender swivel case. Shown with Quick Release Plate (not included).

DP-PHONE-OB ☐

## ④ : Tray Options - Reading, Laptops, iPads, etc

12"x 12" Tray
Multipurpose tray. Adapt it for your needs.

TR-12x12 ☐
**Add QRP?** ☐

iPad-Tablet Tray
Great for iPad and Tablet. Easily switch from landscape to portrait with Universal Rotator **(shown)**.

TR-iTab ☐
TR-iTab-UR ☐
(With Universal Rotator)
Add QRP? ☐
12"x 16" Tray with Lip
Multipurpose tray with lip. Great for books, tablets, etc. Angle it flat and turn it around for writing or eating.

TR-12x16 ☐
Add QRP? ☐

Laptop Tray
Tray, holes and straps fits most laptops securely. Easily remove your laptop.

TR-LT ☐
Add QRP? ☐

### Tablet Tray
(with hinge tray)

TR-iTab-Keyboard
9.5" x 12" (x2) ☐

Tilt Plate Adapter
Compatable with DAESSY and Rehadapt. Other sizes available.

TR-TPA
1"or 7/8"

1" ☐
7/8" ☐

Add a Swing Away Tray on a 12 x 16" or Laptop Tray to hold a mouse, phone or other small device.
See website for information.

④ : Communication Device Attachments

Attach any Device with Ease

Device plates attach communication devices to the Mount'n Mover's Quick Release Plate (QRP).

One QRP comes with each Mount'n Mover.

Find the attachment plate for your device
