

MagniLink One

The one and only!

For a better every day life!

The foldable MagniLink One is easy to use with high image quality and userfriendly operation. It's the elemental video magnifier that really exceeds expectations.

Easy to use

The control panel with tactile buttons is very easy to operate – a few buttons are all that you need to improve your everyday life! It is easy to fold the unit up and down, and it can easily be stowed away or brought along on a trip.

With MagniLink One you can continue solving crosswords, doing needlework and reading even when your vision has deteriorated.

Premium materials

The high quality camera, electronics and monitor provide an outstanding picture quality. The premium materials, details and finish ensure that the unit is as stable as it is durable. MagniLink One is designed both to look and feel good.

Low-vision adapted monitor

The MagniLink One's 17" monitor is Low Vision adapted and offers an anti-glare surface, crystal clear sharpness and high contrast.

Light and easy

MagniLink One is easy to fold up and down and it can easily be stowed away or brought along on a trip.
