

# Nouvel® Plate Classic

## TGSI

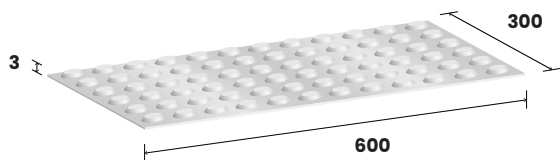

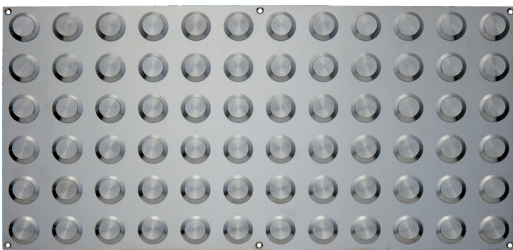

The integrated TGSI plate is often a preferred solution when Stainless Steel Tactile Indicators are desired, but there are potential issues relating to the installation of discrete TGSI's. Furthermore, the easy "DIY peel and stick" technology with optional mechanical fixings points makes them instantly trafficable.

Luminous Contrast Requirement

30%

TGSI's used with the Nouvel® Plate offer all the benefits of the discrete range, including being manufactured from 316 marine grade stainless steel. Korb's stainless steel Nouvel® Plate range is stylish, hard-wearing, highly trafficable and slip resistant, and it comes with a 5 year warranty.

### Nouvel® Plate Classic Integrated Warning

#### SUBSTRATES

STONE | CERAMIC | CONCRETE | MASONRY | TIMBER | ASPHALT | EXPOSED AGGREGATE | CARPET TILE | ESCALATOR & TRAVELATOR PIT LIDS

Infix Product Code	115113
Tactile Colour	Stainless Steel
Mean Dry Luminance (LRV)	53.97
Mean Wet Luminance (LRV)	50.11
Slip Resistance Classification	P5
Product Warranty	5 Years
