

Renzo® Tile

TGSI

The Renzo® Tile is an integrated TGSI with an easy DIY peel and stick adhesive technology which allows for rapid installation on a wide variety of substrates. (Primer may be required for specific substrates.) This highly versatile Australian Made TGSI is suitable for heavy pedestrian traffic, high impact, and external and internal environments.

The Renzo® Tile is available in a variety of colours that have been colour matched to our Venturi Polymer stair nosing. This offers a complimentary finish to all your stairway areas, whilst accommodating compliance with luminous contrast requirements.
