GUIDE TO FINDING YOUR RING SIZE

The most important part of bulding your ring stack, is finding out the right size. We've created this helpful guide so you can easily find what your size is at home. Simply download and print to get started!

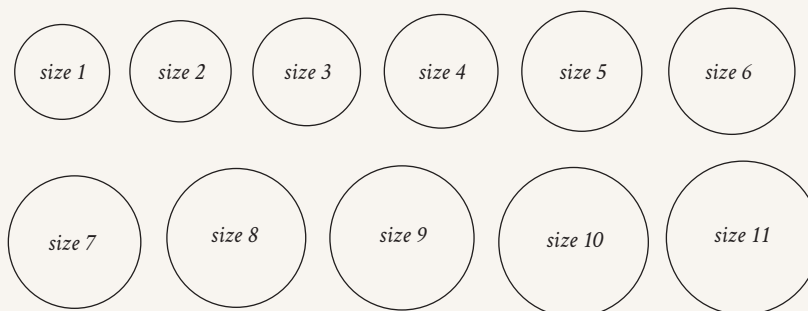

Tip: Make sure the ruler above matches the numbers on a real ruler - this will ensure you get the correct rign size.

Tip: Cut along the dotted lines (including the slit below the words "YOUR SIZE". Slip the pointed end through the slit to form a loop and slip it over your finder like you would a ring. Tighen the paper loop around your finger to where it feels comfortable. It should be snug but still able to go over your knuckle.

USE THE FOLLOWING RING TEMPLATES TO MATCH THE SIZE OF A RING YOU ALREADY OWN

Tip: Place your ring on top of the circle templates to find the one that matches it perfectly. That's your ring size!
