VELUX ACTIVE starter kit
(KIX 300)

For VELUX electric roof windows, blinds and shutters. Automatic, sensor-based operation. Monitors temperature, humidity and CO2 levels and automatically operates windows, blinds and shutters. Connected to VELUX ACTIVE app. Easy and fast installation.

Sync your VELUX roof windows and A/C system to avoid unnecessary energy spend.

Kit includes one indoor climate sensor and departure switch - for one room and one exit.

Active is only available with Electric and Solar Velux windows

Small - CK02 - 550mm x 780mm

Large - MK04 - 780mm x 980mm

Other - Specify your own size from the Velux website list

U-Value Options

U -Values required accross the UK are different.

IcoTherm Pro - 0.12W/m²K covers
Wales and Scotland

IcoTherm Standard - 0.15W/m²K meets
the current standard
in England

Pre - Cut Tiles

Pre-cut tiles offers time saving on site. Roof tiles are cut to fit the roof, Hip and Ridge tiles are still left long for cutting in on site. Additional Charges apply.

Small Pod Construction

Small pod construction option, makes all roof pods a maximum of 600mm wide (length is unaffected). This will mean more fixings are required to assemble your roof. We recomend using if the delivery
