FOR HORSES

FOR LIVESTOCK

TrailerRide Calming Supplement with Electrolytes

TrailerRide Calming Supplement helps keep your horse calm and healthy on the road. Available in an easy to use **1 oz. syringe**. It is suitable for use in horses, cattle, pigs, sheep, and goats of all sizes, ages, and activity levels.

Our all-natural drug-free solution is formulated to minimize gastric distress by stabilizing the hindgut. Designed to provide immune boost as well as **respiratory support** with electrolytes that encourages animals to drink, keeping them hydrated.

Using the **GutHealth®** Xtra Strength as a base to help your horse's hindgut stay healthy and increase absorption of active ingredients. **TrailerRide** then adds the calming benefits of the **BetterRide**.

The **TrailerRide** Calming Supplement Advantage:

- May Minimize trampling anxiety and gastric distress
- Encapsulation of active ingredients allows for safe increased absorption
- May help alleviate separation anxiety
- Excellent source of immune-boosting vitamin C
- May provide Respiratory support
- Provides essential electrolytes including sodium, magnesium and calcium to encourage drinking
- Does Not Contain Any Prohibited Substances
