Find the translations of the words in your target language and write them in the blanks.
These word and phrase lists can be always found on the left page. In total they contain 2500 words.

These are the right pages where you can add content relevant to you. It can be more vocabulary, some grammar notes, dialogues or whatever you need to know about the particular chapter. For example I myself added colloquial ways to greet different people in different situations in this empty page of the first chapter: Greetings.
