## JUNIPER RIDGE 2023 PRODUCT CATALOG

## JUNIPER RIDGE

Juniper Ridge uses sustainably harvested plants and traditional steam-distillation techniques to handcraft high quality home and body care products at our workshop in Oakland, CA.

By focusing on plants native to the West Coast, we bring the wild beauty of nature into your home.

# ESSENTIAL OIL

CASCADE FOREST  
BA-EO-110

WHITE SAGE  
BA-EO-310

REDWOOD MIST  
BA-EO-230

DESERT CEDAR  
BA-EO-320

COASTAL PINE  
BA-EO-410

SIERRA FOREST  
BA-EO-212

## DESCRIPTION

Our Essential Oil is the purest expression of what we do; we steam distill each one in our Oakland, California workshop—all from sustainably harvested plants to best encapsulate the essence of the wild places we love.

SIZE 5 ML

## DIRECTIONS

Our pure plant essential oils can be used in all types of diffusers, added to your bath or shower, or can be mixed with unscented lotions, organic almond or jojoba oil for an all-natural fragrance and moisturizer.

# NATURAL INCENSE

WHITE SAGE  
IN111

SWEETGRASS  
IN115

CEDAR  
IN112

DESERT PINON  
IN110

CALIFORNIA JUNIPER  
IN113

## DESCRIPTION

Incense for people who love the outdoors. Our white sage is cultivated, not harvested. 100% plant based — no hidden ingredients. No charcoal, synthetic fragrance or petrochemicals.

20 Sticks per pack

## DIRECTIONS

Hold the incense completely vertical and pass the flame up and down the stick. Hold the flame on the end of the stick until it has caught fire, wait 5-10 seconds and blow out.

# NATURAL INCENSE

WHITE SAGE LARGE

SWEETGRASS BRAID  
SM108

WHITE SAGE MINIS  
SM101

SAGE MUGWORT CEDAR  
SM109

CEDAR MUGWORT  
SM111

## DESCRIPTION

Incense for people who love the outdoors.  
100% plant based — no hidden ingredients.  
We work with a family owned and operated farm to cultivate 100% of our white sage.

## DIRECTIONS

Light the end of the bundle and allow it to smolder. Let the smoke fill whatever space you wish and have a bowl nearby to extinguish the smoldering part of the bundle. Relight as desired.

# ESSENTIAL OIL CANDLES

WHITE SAGE  
CD310

COASTAL PINE  
CD410

SIERRA FOREST  
CD212

REDWOOD MIST  
CD230

CASCADE FOREST  
CD110

## DESCRIPTION

A natural scented candle made with our signature essential oils, steam-distilled in our Oakland, California warehouse from sustainably harvested and upcycled plants. Hand crafted with all-natural soy wax and cotton wick so that when you light them you are bringing only good-for-you ingredients into your space.

SIZE: 7 OZ

## DIRECTIONS

For best results with each use, trim your wick to ¼" and allow wax to melt evenly. Burn no longer than 4 hours at a time.

Burns for approximately 40 hours.

# ROOM SPRAY

CASCADE FOREST  
RS110

COASTAL PINE  
RS410

DESERT CEDAR  
RS320

REDWOOD MIST  
RS230

WHITE SAGE  
RS310

## DESCRIPTION

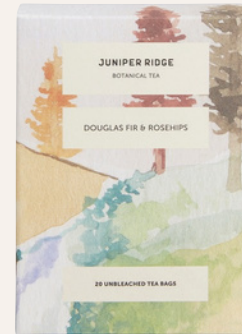

Just one or two spritzes of our Room Spray quickly transports you to the outdoors. Use it to refresh a room, on linens, on upholstery—anywhere that may need a little reviving. When you can't get out there, bring nature home.

SIZE: 2 FL OZ

## DIRECTIONS

Spray into the air to freshen up any room or directly onto fabric, blankets, linens etc.

# BOTANICAL TEA

DOUGLAS FIR AND ROSEHIPS  
T230

YERBA SANTA  
T380

DOUGLAS FIR SPRING TIP  
T101

WHITE SAGE & WILD MINT  
T103

## DESCRIPTION

Juniper Ridge Botanical Teas are caffeine-free, gluten-free and preservative free. Our tea boxes are made from Sustainable Forestry Initiative Certified paper and our tea bags are made from an unbleached, compostable fiber blend. Delicious hot or iced!

20 unbleached bags per box.

## DIRECTIONS

**HOT:** Bring 8oz of water to a boil, place tea bag in a heatproof mug and pour in hot water allowing the tea to steep for 5-10 minutes. Enjoy!

**COLD:** Put 1 teabag per 8oz of cold water into a jar and cover with a lid. Put the jar into the refrigerator and let it steep until the desired strength.

# BODY OIL

CASCADE FOREST  
BO110

WHITE SAGE  
BO310

REDWOOD MIST  
BO230

COASTAL PINE  
BO410

DESERT CEDAR  
BO320

## DESCRIPTION

Body Oil for people who love the outdoors. An antioxidant-rich base of organic Jojoba, Sweet Almond and Coconut Oils is blended with our pure essential oils for a nourishing body oil inspired by the deserts, coasts and mountains of the west.

SIZE: 4 OZ

## DIRECTIONS

Gently massage body oil onto your skin until absorbed.

### SUGGESTED USES:

Use while skin is still damp after shower or bath to help seal in moisture.

Add a few drops to your bath for a skin softening soak.

Warm several drops in your hands and use for a soothing full body massage.

# COLOGNE

CL310

DESERT CEDAR  
CL320

COASTAL PINE  
CL410

REDWOOD MIST  
CL230

## DESCRIPTION

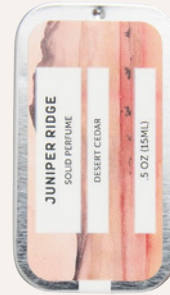

Gender neutral cologne for every person who loves the outdoors. Our signature essential oils, steam-distilled by us in our Oakland workshop, and organic sugar cane alcohol combine to form these personal scents.

SIZE: 1 FL OZ

## DIRECTIONS

Spray cologne from 3 to 6 inches away onto pulse points at your wrists and neck.

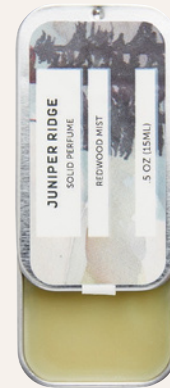

# SOLID PERFUME

DESERT CEDAR  
SP320

CASCADE FOREST  
SP110

REDWOOD MIST  
SP230

WHITE SAGE  
SP310

COASTAL PINE  
SP410

## DESCRIPTION

Our signature wildharvested essential oil blends are the aromatic base of these waxy solid perfumes. This unisex perfume travels easy so you can refresh your pulse points as often as you like. The formulation is simple: a base of Organic Beeswax and Organic Jojoba Oil blended with our steam distilled essential oils.

SIZE: 0.5 OZ

## DIRECTIONS

Warm perfume on your fingertips and apply directly to your wrists and neck. Carry with you to refresh as needed on the go.
