Bambo Nature disposable Swim Pants have a soft, elastic fit all-around the waist, giving your baby a super comfortable and flexible experience. Designed for use in water with double leak barriers to keep the water clean and safe from messy accidents.

Changing the wet diaper is a breeze with the easy-tear sides. The swim diapers are dermatologically tested and certified according to the Nordic Swan Ecolabel, the EU Ecolabel, Asthma Allergy Nordic, the FSC™ (Forest Stewardship Council) and OEKO-TEX Standard 100.
