

DIVINE WOMAN ELIXIR

Uplifting & Moisturizing Facial Oil

uplifting. protecting. softening.

This protecting, nutrient-dense facial oil harnesses the power of the herbal infusion of the Estate Blend Collection—comfrey, echinacea, chamomile, lavender, wild rose, plantain, feverfew, and calendula. These tried and true herbs, paired with antioxidant-rich seed oils help to nourish and deeply moisturize our aging skin. Aromatherapy notes are uplifting and awakening, while tulsis brings in heart-opening energy.

With this oil and all products that will come from the estate, the intentions that were set in the seeds/plants not only aid in the protection of our skin but also in our hearts, and our being as well.

SUITABLE FOR

- Dry to Mature Skin Types

FOR BEST RESULTS

Use AM/PM or as needed. Apply to clean skin or over serum. Pump 1 to 2 full pumps into palm of hand. Dab on nose, chin, cheeks and forehead. Blend with gentle strokes.

KEY INGREDIENTS

- Comfrey
- Calendula
- Pumpkin Seed Oil

YOU MAY ALSO LIKE

- Aloe Herb Cleanser
- Neroli Toning Mist
- Wild Fruit Serum

DIVINE WOMAN ELIXIR

Huile pour le Visage Édifiante et Hydratante

vivifiante. protectrice.
adoucissante.

Cette huile pour le visage protectrice et riche en nutriments exploite la puissance de l'infusion de plantes de la gamme Estate Blend : consoude, échinacée, camomille, lavande, rose sauvage, plantain, grande camomille et calendula. Ces plantes éprouvées, associées à des huiles de graines riches en antioxydantes, aident à nourrir et à hydrater en profondeur notre peau vieillissante. Les notes d'aromathérapie sont vivifiantes et stimulantes, tandis que le tulsil apporte une énergie qui ouvre le cœur.

Avec cette huile et tous les produits qui proviendront du domaine, les intentions qui ont été fixées dans les graines/plantes aident non seulement à protéger notre peau, mais aussi notre cœur et notre être.

CONVIENT À

- Peaux Sèches à Matures

POUR DE MEILLEURS RÉSULTATS

Utiliser matin ou soir ou au besoin. Appliquer sur une peau propre ou sur du sérum. Pomper 1 à 2 pompes pleines dans la paume de la main. Tapoter sur le nez, le menton, les joues et le front. Mélanger avec des touches légères.

INGRÉDIENTS CLÉS

- Consoude
- Calendula

DIVINE WOMAN ELIXIR

Aceite Facial Revitalizante e Hidratante

reparador. protector. suavizante.

Este aceite facial protector y rico en nutrientes aprovecha el poder de la infusión de hierbas de la colección Mezcla de la Finca: consuelda, equinácea, manzanilla, lavanda, rosa silvestre, llantén, matricaria y caléndula. Estas hierbas probadas y verdaderas, combinadas con aceites de semillas ricas en antioxidantes, ayudan a nutrir e hidratar profundamente nuestra piel que envejece. Los notas de aromaterapia reparan y despiertan, mientras que el tulsil aporta energía para abrir el corazón.

Con este aceite y con todos los productos que vienen de la finca, las intenciones que se establecieron en las semillas o plantas no solo ayudan en la protección de nuestra piel sino también de nuestros corazones y nuestro ser.

ADECUADO PARA

- Tipos de Piel Seca a Madura

PARA OBTENER MEJORES RESULTADOS

Úselo por la mañana o por la noche, o según sea necesario. Aplique sobre la piel limpia o sobre el suero. Bombee por completo de 1 a 2 veces en la palma de la mano. Frote la nariz, el mentón, las mejillas y la frente. Mezcle con movimientos suaves.

INGREDIENTES PRINCIPALES

- Consuelda
- Caléndula
- Aceite de Semilla de Calabaza

TAMBIÉN LE PUEDE INTERESAR

Divine Woman Elixir
2028

STEP 1: CURATE

We carefully curate organic and wildcrafted ingredients—from herbs to high-vibration plant extracts—that meet the highest standards of quality and effectiveness for your skin and body. We forge relationships with farmers and tirelessly audit our sources to maintain our standards of purity and sustainability.

STEP 2: INFUSE

We infuse hand-selected herbs into organic aloe vera and skin-nutritive oils at low heat (never over 95°). These botanical infusions are left to steep for up to 30 days and energized by crystals before serving as a potent base for all our formulas.

STEP 3: CREATE

We then add high-performance seed oils, antioxidant-rich botanicals, and synergistic plant stem cells that deliver skin-supporting nutrients and luxurious aromatherapy. The result? Active, supernaturally-effective skin care—and our commitment to **Clean Beauty Since Day 1**. Finally, we house all of our products in Miron violet glass, which energizes the organic molecules of the product by filtering in a small percentage of light while protecting it from the harmful rays of the light spectrum. These are then packaged with intention using sustainable materials that are recyclable or made up of post-consumer waste, and produced at a wind-powered facility.
