

Product Warranty Energystore Gel EPzV – EPzV-BS Series

WARRANTY CONDITIONS

Two Year Guarantee

GNB Industrial Power warrants to the original user, that Energystore Gel cells will be free from defects in material and workmanship for a period of two years from the date of shipment. Installation should occur within six months of date of shipment.

Four Year Warranty

GNB Industrial Power warrants to the original user, that Energystore Gel cells for four years from their date of shipment when used in accordance with the operating instructions and the following conditions as specified below.

Should GNB find that any cell is in breach of this warranty, it will repair or replace the cell, and allow a credit on a pro rata basis, of that portion of the warranty term remaining. The pro rata credit shall be based on the original purchase price of the cell and this credit will be applied to the normal list price of a replacement GNB cell at the time of claim.

Conditions

Warranty is applicable if the cell/fails to meet the requirements when tested in accordance with IEC 896-2/AS4029.2/AS2676.2 and subject to following conditions.

- Maximum of one cycle per day
- Depth of discharge not to exceed 20% and the average temperature at 27C.
- Deep discharges (to 1.80vpc) to be limited to twice a year provided the batteries are fully recharged within two days of such discharge.
- Maintenance and operations logs to be maintained as per the operating instructions and such records are made available for inspection by GNB.
- GNB would be responsible for the performance of the cell/block at the cell/block terminals only and GNB does not take responsibility for any voltage losses connected with installation.
- GNB to be advised immediately if any of the above parameters exceed the reportable limits.
- In the event of a warranty claim, only GNB Industrial Power or their authorised representatives to effect any evaluation and repairs on the batteries.
- This warranty is applicable on return to base basis for the product only.

Limitations on the Guarantee and Warranty:

In no event shall GNB Industrial Power be liable for consequential or incidental losses or damages. GNB further disclaims all implied warranties of merchantability and fitness.
