- ⁴ Cost for transport and labour are not included under the Fronius Warranty.
- ⁵ End customers must register the inverter on www.solarweb.com. Terms and conditions apply.

Please note: For those purchasing Fronius products in New Zealand, full local warranty support is provided through Fronius Authorised Sales Partner, Taspac Energy Ltd. This includes service, repairs and replacement. If Fronius products purchased in New Zealand have not been purchased though Taspac Energy Ltd. then full local warranty support will not apply and claims must be processed in Australia. This may result in the inverter being shipped back to Australia for service or replacement. In this case, costs to remove the defective product and international freight will be the customer's responsibility.

/ Perfect Welding / Solar Energy / Perfect Charging

THREE BUSINESS UNITS, ONE GOAL: TO SET THE STANDARD THROUGH TECHNOLOGICAL ADVANCEMENT.

What began in 1945 as a one-man operation now sets technological standards in the fields of welding technology, photovoltaics and battery charging. Today, the company has around 3,800 employees worldwide and 1,242 patents for product development show the innovative spirit within the company. Sustainable development means for us to implement environmentally relevant and social aspects equally with economic factors. Our goal has remained constant throughout: to be the innovation leader.
