

## WHY CHOOSE NATURE LOO?

We keep our patented design simple so that prices and ongoing maintenance costs stay low.

The Nature Loo solution is free of odours, chemicals, pollution, pumps and high maintenance and electrical costs. It also saves the typical family some 35,000 litres of water per year.

## HOW IT WORKS?

Classic 750 Schematic

All **Nature Loo Classics** come complete with everything required for installation except, for reasons of freight cost, the external vent pipe and absorption trench materials (for the excess liquid drain), which can be bought directly from your local hardware store for around \$150.
