CE   RoHS   FC

Company Introduction

To be known as a leading designer and manufacturer of portable led sign, NSE has got rapid growth in Led Display industry in the past 8 years. Being an ISO9001 Certified firm and Government-nominated "Hi-Tech Enterprise", we are continuously investing in the Research and Development of portable and other creative LED display products. Currently, we have obtained some patents in China, and our products have various certificates, such as CE, FCC, ETL, CCC, ROHS ect.

Now our LED display products have been sold to more than 90 countries and areas, such as Israel, South Africa, Australia, USA, Canada, Germany, Sweden, UK, Belgium, Netherland, Spain, Portugal, Poland, Russia, India, Chile, Brazil, Paraguay, Mexico, Korea, Japan, Thailand, Malaysia, Indonesia, Vietnam, Saudi Arabia, Iran, and so on. We also supply ODM business for two leading VMS products providers in Australia and Brazil.

"Create Value, Display Infinity", NSE will continue to focus on the portable sign field and break new ground on the basis of past achievements, to strive to be the top-class LED display supplier.
