

Take the Style ID Test (choose 1 from each series)

Style id helps you to discover & define your personal style. Take our test & see what you are naturally drawn to. You may be split between 2 as you wear a classic tailored uniform at work but a much more laid back relaxed & colourful beachy vibe on the weekend. Knowing what you like & what pieces suits your body shape is the key to pulling your look together & feeling great!

Your Signature Style is...

boho style

I am a free spirit + traveller,
I love textured textiles +
chunky global jewellery,
I love colour,
I shop at Op shops + markets,
I combine cultural influences
to create an eclectic layered
style,
I am a kate Moss kinda girl!

Mainly (B) Your signature style is Boho Chic

You have a bohemian style that's all your own. You draw inspiration from celebrities like Mary-Kate Olsen and Nicole Richie, but apply your own style sensibilities when choosing an outfit. Peasant tops, flowing skirts, vests, beads and jeans are your essentials.

retro diva style

At the turn of the 21st century
there are some for whom the 1950s
and 60s never died.

I love the glamour of the 1950s +
the rebellion of the 1960s,

I wear red lipstick, curls, leopard
print + floral circle skirts, slim
pencil skirts + clip on earrings,

My style icon is Marilyn,

I love my curves,

I may have a tattoo or two!
