

Seatbelt Catcher™

Many drivers and passengers are suffering from the unnecessary and unwelcome pain that comes from reaching for their seat belts. And the solution to their problems is the simple, yet ingenious Seatbelt Catcher™. And with 29% of US drivers being over the age of 65, this is a retail segment that should not be overlooked.

The Seatbelt Catcher™ will allow drivers and passengers to reach their seat belts **Pain-Free and Effortlessly**. It's that simple and we are that confident that our product will solve their problems.

The Seatbelt Catcher™ Will Help People With Mobility Issues.

- EXTENDED REACH

Extend reach by 9 inches, eliminating the need to twist when reaching seatbelt.

- DISCOMFORT ELIMINATOR

Ensuring the pain-free action of reaching and fastening your seatbelt.

- VERSATILE DESIGN

Accommodates various mobility issues with its versatile and practical design.

- IDEAL FOR LIMITED MOTION

Beneficial for individuals with frozen shoulders, arthritic stiffness, or persistent injuries.

- EFFICIENT ALTERNATIVE

Say no to ill-fitted grip extensions and cumbersome seatbelt pull extenders.
