# LEATHER FINISH

## MATERIAL

- Imported ABS material & new polymer material between rubber and resin, rich texture, moist and delicate touch.
- New leather like side surface finishing technology, waterproof, drop-proof, wear-resistant and high-temperature resistant, not easy to deform and not easy to fade.
- Contrasting color design creates a new visual experience.
- Color: Grey, Black, Orange

## FEATURES

- Fully waterproof process design. It will not be deformed by water absorption or soaking.
- One-piece molding process makes seamless inner body, which is easy to clean.
- Sturdy quality, drop resistance, durability, 5 years warranty.

## ADVANTAGE

- Completely solve the problems of traditional leather goods that are not waterproof, easy to deform, easy to mold, and not durable.
