

# K.

## Modern Eco-Friendly Accessories

**K.** was created in Los Angeles with a sole intention to rethink accessory packaging. As a mover-and-shaker, it makes its way strong into hotel bathrooms, dropping loud statements to awaken and shift mindsets. As an essential element for the body, **K.** is also friendly for the planet and becomes a sustainable companion to your single-use necessities using zero plastic, just kraft paper.

Plastic-free

Green Earth

Water-based Ink

FSC Certified

**SANITARY BAG**
