

# VERSA SOFA

Designed for Hospitality,  
Customized for Your Hotel

---

# Take a new flip on the hotel sleeper sofa.

Designed with comfort in mind, your guests can relax in a modern tri-fold sofa that converts easily into a supportive, all-foam sleeping surface with no cross bars and no flimsy spring coils. This seamless conversion from sitting to sleeping will expand your hotel room's possibilities and provide flexible sleeping spaces for your guests.

## In 3 Easy Steps...

**STEP 1**  
Lift Base

**STEP 2**  
Drop Support Legs

**STEP 3**  
Fold Back Rest

## Comfortable

- Designed for comfort
- Firm and supportive sleep surface
- High-density foam sections
- Smooth sitting surface (no tufting)

## High Quality

- Stain-resistant and fluid-proof, durable woven fabric
- Anti-fungal and easy-to-clean material
- Impact resistant and protected against sun fade
- Triple wood construction with pine framing
- Finished in Durablu performance strength, oxford nylon covering

## Customizable

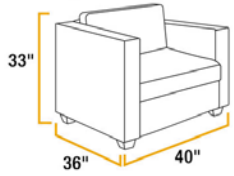

- Multiple style options available
- Customizable colors and fabric capabilities

## Convertible

- Removable back cushions
- Lightweight compared to heavy, old sofa beds
