Tableware Solutions

Welcome to Our Table: Discover Our Latest Arrivals

At Tableware Solutions, we champion the belief that the dining experience transcends mere ingredients; it's a symphony of presentation, ambiance, and connection. Guided by our values of elegance, functionality, and innovation, we strive to elevate every meal into a memorable and enriching occasion through our meticulously crafted tableware solutions. Dive into our catalog and explore a symphony of style, functionality, and elegance that will transform your dining occasions into unforgettable moments.

Immerse yourself in our latest collection, where artisan craftsmanship meets modern elegance and sustainable solutions. Explore handcrafted ceramics and intricately designed glassware, each piece telling a story of tradition and innovation. Embrace contemporary design with sleek lines, bold colors, and avant-garde shapes that redefine sophistication. Whether you're seeking everyday essentials or statement pieces, our diverse range caters to every taste and occasion.

Join us at Tableware Solutions and create unforgettable moments around the table. Indulge in luxury dining where every detail matters.

ORIGINS BLUE & STORM CARMEL

Continental
MADE IN SOUTH AFRICA

STRENGTH & DURABILITY

The products are made to perform well in busy catering settings, and the alumina in the clay body ensures maximum strength.

EDGE CHIP RESISTANCE

Life Time WARRANTY. The reinforced rolled edge ensures that the products are edge-chip resistant which improves durability

GLAZE DURABILITY

The specially formulated glaze enhances the product performance, improving stain and metal mark resistance and durability. The durable glaze prevents thermal shock and crazing.

TEMPERATURE EXTREMES

The products can withstand temperature fluctuations of up to 160°C, which ensures that piping hot main courses and ice chilled desserts can be served as required.

HYGENE

The vitrified body is fired at 1200° C. This prevents the absorption of water and other materials.

STACKABILITY

The products are made to save space in commercial kitchens. The fully glazed base reduces contact to prevent damage while stacking.

DISHWASHER SAFE

The high shock resistance ensures that the products can withstand at least 5000 dishwasher cycles. All items are designed to fit easily into a commercial dishwasher.

MICROWAVE SAFE

The thermal properties ensure that the products are microwave and oven safe, and can withstand extremes in temperatures.
