Example Velvet finish

1170 Metropole Velvet

Gauge: 4,0 mm
Material: 18-10 stainless steel

The Metropole is a model with long, slender lines and a sloping handle at the bottom. The design is based on contemporary city architecture and has a modern appearance. It is made of 18-10 stainless steel with a unique velvet finish that mimics the soft feeling of a real velvet fabric. This visually captivating effect gives a luxurious look and feel.
