## WELCOME TO THE WORLD OF CULINARY REFINEMENT

At Cosy&Trendy, we believe that serving an exceptional meal and creating an unforgettable experience go beyond just the ingredients; it's also about the presentation on a perfectly set table. As a dedicated partner for culinary professionals, we offer a curated collection of beautiful, high-quality tableware. Each piece is meticulously designed and developed by our product specialists to dress your table to perfection.

Cosy&Trendy was established in 2003, emerging from the skilled hands of Billiet-Vanlaere, a family-owned distribution company with an impressive 91 years of expertise in the world of tableware and cookware. We are committed to providing top-notch products at an affordable price and strive to inspire you in the art of dining.

Our extensive and contemporary collection is crafted with an eye for detail and craftsmanship, allowing you to present each dish to its fullest potential. Whether you are a chef in search of modern tableware for the ultimate dining experience or a hospitality entrepreneur aiming for a distinctive presentation, Cosy&Trendy has everything you need.

Step into the fascinating world of table dressing at our showroom in Tielt, Belgium, where our complete range of products is displayed in all its splendor. We invite you to immerse yourself in inspiration and envision the perfect table setting for any occasion.

Discover the essence of culinary refinement with Cosy&Trendy, and together, we will elevate your dining experience to new heights.

# BOGOTA

Embrace the eclectic charm of the Bogota series, a full spectrum collection that surprises with its variety of shapes. Each piece is made from high-quality, impact-resistant porcelain, ensuring both adaptability and longevity. Accented with a warm, rich reactive glaze, soothing color highlights, and homely speckles, the Bogota range introduces depth and personality to your table. The dark, reactive glaze surface provides a dramatic backdrop that makes culinary colors pop and turns every dish into a memorable presentation.

# ETNA

Indulge in the robust excellence of the Etna series, where extreme quality and durability meets the demands of intensive use. Made from high-quality porcelain reinforced with alumina, this collection resists wear with remarkable resilience, all while maintaining a sleek aesthetic. The plates feature a unique angular edge finish, where the gentle curves give way to a strikingly crisp edge that creates a distinctive look. The dark brown matte and scratch-resistant glaze, speckled with light shades, ensures a visually appealing presentation.

# ARTISAN

Delve into the sophisticated world of the Artisan collection, where British design meets functional elegance. This line of high-quality, alumina-rich porcelain offers perfectly proportioned pieces for restaurant and hotel use, available in various depths for unique culinary presentations. The collection's pure shapes ensure professional ease of use, while each item is not only durable but also remarkably light and stacks easily. Designers have thoughtfully selected the glazes to complement every season and setting, capturing everything from sparkling spring to warm and relaxed holiday moods.

# NORA

Explore the versatility of Nora, a curated selection of oven trays and presentation dishes tailored for a variety of culinary delights. From lavish lasagna and hearty stews to elegant bowls and plates for showcasing your dishes, Nora's collection is a testament to culinary versatility and presentation. The artful finish with a reactive glaze creates a mesmerizing transition from radiant blue edges to a gentle white center, ensuring your creations take center stage. Designed for both baking and presentation, the collection combines practicality and beauty, making it essential for any culinary professional. The collection's highlight: an artisan tagine with a beautiful spiral-shaped lid, that embodies Nora's fusion of function and artistry.
