Top 3 Reasons

for choosing
Epson LABELWORKS PX

1.

SAVINGS

Users save on print costs over time with less wasted tape and more material per cartridge. Our printers produce short margins, and offer tape-saving features like auto-rewind to save even more.

2.

LIFETIME WARRANTY

Epson LABELWORKS PX offers an unmatched lifetime warranty. If a user breaks it, we replace it. No exceptions, no fine print; full replacement.

3.

SUPPORT

LABELWORKS PX boasts industry-leading product, technical and customer support. We have trained, local staff on-hand for one-on-one support via phone, email, chat and in-person, on-site training.

LABELWORKS LW-Z5010PX PRINTER

BULK UP AND SAVE

The **Epson LW-Z5010PX** tackles your largest industrial labeling jobs quickly without the need to reload supplies in the middle of the run. Designed for use with Epson's 147' bulk label rolls, the LW-Z5010PX can print 1,500 labels or more up to 2-inches wide (50 mm) with a single roll. You won't need to be an expert at matching and installing printer ribbons and label supplies. That's because Epson's bulk supplies pre-match the label material you want with the ribbon you need in a single top-loading cassette. Just drop it into place, and you're ready to go – the onboard keyboard and 2" color touchscreen make designing perfect labels fast and easy, even on the go. And best yet, the low total cost of ownership (TCO) means you can print a lot more labels for a whole lot less!

PipeMarker™ V8

Pipe Marking Compliance Made Quick and Easy

The Easy, Economical Solution for Making Compliant & Custom Pipe Markers On-Demand

A dedicated software program, PipeMarker™ V8, combined with the PEARLabel 400iXL 300 dpi, wide formatting thermal transfer printer, makes it easy for users to design and print safety compliant pipe and facility markers and tags in-house and on-demand, saving time and money.

- Pipe diameter selection automatically sets size of legend letters and marker length to comply with ASME A13.1-2007, OSHA, ANSI, IIAR, NRPA, CGA and NED standards
- Add QR codes to any pipe marker for tracking, maintenance or SDS information
- Import up to 100 pictographs and symbols
- Thermal Transfer Resin Ribbons provide scratch, smear, fade and all-weather resistance
- Polyethylene olefin-based tape offers high heat and cold temperature resistance
- Automatically converts pipe marker layout to tag format
- Print arrow tape, diagonal line barrier tape or checkered pattern for medical gas markers
- Prints markers up to 90" long
- Prints in English, Spanish, and bilingual formats
- Use with PEARLabel 400iXL, LABELWORKS PX LW-PX900, LW-PX800, LW-Z5000PX and LW-Z5010PX
